Area Committee Report

July - September 2015

Ward Priorities 2015 /16

Theme	Priorities	Key Actions	Outcome	Lead
Families	**strengthen offer for children and young people.**	Continues to support Radford Children and Youth activities and, where feasible, develop grass root youth projects. Schemes currently in place include UNITY football, John Carroll sports sessions and Radford Primary school youth club and activities through 4B's team (Building Bridges, Breaking Barriers)	Families will be healthier, fitter and emotionally resilient with an enjoyable and safe place for children to grow up	Family and Community
Health	**Promoting positive mental health among students and residents** **Cycling**	Deliver mental health training to front line workers who have regular interactions with residents and students. Ongoing – University Student Services offer a wide range of support for the mental health of students. To work with local schools and the wider community to encourage greater take up of cycling as a means to promoting healthy lifestyles. Continue to develop Castle Boulevard as part of the Western Cycle Corridor 2016/17.	Enable workers who regularly engage with citizens and students to use opportunities to promote mental well being. Improved health outcomes	Health Promotion University of Nottingham Nottingham Cycling City Investment Programme
Working	**Increase in training and employment opportunities including apprenticeships**	Castle Cavendish supporting 18-24 year olds to access work and training or education through the youth contract delivery model. NCC funded two part time Community Employment Workers through Castle Cavendish. Step into Work Project – £139k funding for Area 4. Also separate funding to set up local work clubs. Radford work club site to be identified.	More local people accessing training and employment	Employment and Skills Castle Cavendish
