

REPORT OF THE DEPUTY CHIEF EXECUTIVE & CORPORATE DIRECTOR OF RESOURCES

THE ROLE OF THE AUDIT COMMITTEE & ANNUAL WORK PROGRAMME

1. **SUMMARY**

This report outlines the core functions of the Audit Committee, the benefits that will arise for the City Council and an outline annual work programme.

2. **RECOMMENDATION**

That the functions of the Audit Committee and the benefits arising from its existence be noted, and the outline work programme at **Appendix 1** and the membership and the Terms of Reference at **Appendix 2** be endorsed.

3. **REASONS FOR CONSIDERATION**

- 3.1 An Audit Committee is central to the provision of effective corporate governance, which partly depends on a systematic strategy, clear framework and processes for managing risk. Good governance also maintains and increases public confidence in the objectivity and fairness of financial and other reporting as well as helping to deliver improved services. It is important that local authorities have independent assurance about the mechanisms underpinning these aspects of governance.
- 3.2 It is recognised that high performing councils develop effective financial and non-financial control mechanisms. The development of expertise made available by the establishment of an Audit Committee, meeting on a regular cycle, and with Terms of Reference focussed on the key audit control and risk management areas critical to the Council's performance is a key part of these mechanisms.
- 3.3 The Committee's outline work programme is attached as **Appendix 1**. The work programme supports the Council's aim to improve its efficiency and effectiveness and has been developed to address the Terms of Reference for the Committee approved by the City Council (**Appendix 2**). In accordance with CIPFA guidance, the Committee is politically balanced and will not have Executive membership. Its membership will be eight non executive councillors.

Membership will continue to be reviewed in accordance with guidance from the Department of Communities & Local Government (DCLG).

4. ROLE OF THE AUDIT COMMITTEE

The purpose of an Audit Committee is to provide independent assurance on the adequacy of the governance and control environment, effectiveness of the Risk Management Framework, and to oversee the annual financial reporting process.

5. BENEFITS OF THE AUDIT COMMITTEE

The benefits to be gained from operating an effective Audit Committee are that it:

- raises greater awareness of the need for internal control and the implementation of audit recommendations;
- increases public confidence in the objectivity and fairness of financial and other reporting;
- reinforces the importance and independence of internal and external audit and any other similar review process eg providing a view on the Annual Governance Statement;
- provides additional assurance through a process of independent and objective review.

6. GOVERNANCE ROLE

The Audit Committee aims to improve corporate focus on governance by:

- providing assurance on the adequacy of the Risk Management Framework and the associated control environment;
- scrutinising the Council's financial and non-financial performance to the extent that it affects the Council's exposure to risk and weakens the control environment;
- overseeing the financial reporting process;
- approving the Council's Statement of Accounts;
- commenting on the scope and nature of external audit;
- overseeing proposed and actual changes to the Council's policies and procedures pertaining to governance

7. LEGAL IMPLICATIONS

An Audit Committee is not a legal requirement but its establishment reflects best practice and will reinforce the importance of probity, and performance and risk management within the Council and in relation to its partnership working.

8. FINANCIAL IMPLICATIONS

None
