REPORT OF THE CORPORATE DIRECTOR OF NEIGHBOURHOOD SERVICES

WEST AREA INCIDENTAL BUDGET

1 SUMMARY

This report asks members to agree resources to support West Area incidental budget for 2006-2007.

2 RECOMMENDATIONS

It is recommended that members approve funding of £5,000 which can be met with an equal contribution from each ward.

3 BACKGROUND

3.1 An incidental budget for the West Area Committee has been in existence since 1996. The purpose of this budget has been to pay for room hire, refreshments, and facilitation of workshops and to support publicity and events for the promotion of the West Area Committee.

3.2 Due to the changes recommended for Area Committees the incidental budget will be required to continue supporting consultation activity and the production of publicity materials and will include costs associated with the development of the enhanced role for area working. More importantly, the incidental budget is a vital resource in enabling the West Area team to deliver the Action Plan 2004 – 2006, support the involvement of local people in decision making and partnership working.

3.3 In supporting the implementation of the West Area Action Plan, a number of local partnerships have been established, for example the West Area Community Safety Working Group; the West Area Health Partnership; the West Area Local Learning Partnership and currently the West Area Youth Partnership. Hence the number of meetings organised at area level has increased. The incidental budget will ensure that the area team is able to facilitate these meetings by helping with costs.

4 PROPOSALS

It is proposed that members agree to the £5,000 contribution.

5 FINANCIAL IMPLICATIONS

The £5,000 contribution can be met by charging £1,667 to each of the Aspley, Bilborough and Leen Valley wards. The un-committed balances, not including the affect of other requests for allocation else where on this agenda, stand currently as follows: -

Aspley	£11,848.91
Bilborough	£29,522.44

Leen Valley £14,117.68

Total £55,489.03

6 EQUAL OPPORTUNITIES

The West Area Committee is committed to encouraging community involvement in service planning. Every effort is made to engage with individuals who are historically excluded from decision-making processes.
