1	note the progress made on Phase One of Streamlining Investment to the Voluntary and Community Sector;	
2	review and comment on the recommendation from the Area Grant Panel.	

1. BACKGROUND

Nottingham City Council is committed to supporting a thriving local Voluntary and Community Sector (VCS), indicated through the Nottingham Plan and the Corporate Commissioning Framework. Approximately £31.1m of funding has been invested in the Voluntary and Community Sector this year. This is currently through a range of channels and departments.

Historically, a number of different grant programmes were administered across the Council. Over the past year work has commenced to streamline this approach in order to make investment simpler, more transparent and easier to understand for the sector.

During 2011, a review took place of support services to the Voluntary and Community Sector that were funded under the Voluntary Sector Investment Programme that was due to end in March 2012. A new contract was awarded and came into effect on April 1st 2012.

On 14th March 2012, the Executive Board Commissioning Sub-Committee agreed to move to a more streamlined approach to allocating funding to replace all existing grant programmes. It was also agreed that a range of existing grant arrangements should be extended whilst this programme of work was undertaken.

On 23rd May 2012, the Executive Board Commissioning Sub-Committee agreed the programme plan and the scope of the funding was agreed on 27th July 2012. The current investment to the Voluntary and Community Sector is £31.1m. Most of this (£29.3m) is through City-wide arrangements and £1.79m is through an Area basis.

On 19th September, Executive Board Commissioning Sub-Committee agreed a new Area Grant Aid Process. This work resulted in an Area Specification being written that detailed the outcomes that the Area Grant Funding needs to achieve. This was published on 30th November 2012. As part of the process Voluntary and Community Sector organisations were asked to work in partnership to deliver these outcomes. Each partnership would have a Lead Organisation and organisations that were interested in becoming a lead were asked to register an expression of interest.

The Lead Organisation will be the provider that will have the relationship with Nottingham City Council and the Area Committee and be responsible for ensuring that all outcomes in an Area are delivered. The smaller organisations will report directly to the Lead Organisation, therefore eliminating the need for organisations to have several reporting lines into Nottingham City Council thus creating a streamlined approach to investment.

Applications for Area Grant Funding were submitted on 12th February 2013. They were reviewed by an Area Grant Panel. Recommendations will be made to the Executive Board Commissioning Sub-Committee to agree on 27th March 2013. Successful organisations will be notified by 28th March 2013 and contracts will commence on 1st July 2013.

The Area Committee is asked to note and comment on the recommended partnership to receive funding in their Area details of which will be circulated at the meeting.

Grant Panels

Applications were assessed by an Area Grant Panel, which consisted of

- A non-voting Chair (Director of Quality and Commissioning to keep the process moving and provide consistency across all Grant Panels)
- A non-voting Voluntary and Community Sector Advocate (to ensure the process is fair and transparent)
- A non-voting Voluntary and Community Sector Grants Officer (to keep the process safe and record the process)
- Non-voting Expert Officers (to offer advice and contextual information)
 - Director of Family Community Teams
 - Director of Economic Development
 - Director of Sports, Culture & Parks
 - Locality Managers
- Portfolio holder for Housing, Adults and Community Sector
- Chair of Area Committees

- Area Committee representatives (a councillor from each Ward and Area Committee Reps)

The panel consisted of up to fifteen members, including up to seven voting members all of whom had equal voting rights. The applications were opened in the first instance by the Voluntary and Community Sector Grant Team who checked eligibility against the set criteria and scored the applications in first instance.

At the Area Grant Panel members were asked to discuss applications and make a recommendation to Area Committees in readiness for submission to Executive Board Commissioning Sub-Committee to agree on 27th March 2013.

It is the intention that successful applicants will be monitored quarterly by Quality and Commissioning and a bi-yearly report presented to Area Committee.

2. REASONS FOR RECOMMENDATIONS (INCLUDING OUTCOMES OF CONSULTATION)

The agreed grants process must be completed by 31 March 2013. Formal decisions are to be made by the Executive Board Commissioning Sub Committee on 27 March 2013 and applicants notified on 28 March 2013. Consultation with each Area Committee is an important phase within the process and their views will inform the decisions made by the Executive Board Commissioning Sub Committee.

3. OTHER OPTIONS CONSIDERED IN MAKING RECOMMENDATIONS

Continuing the historic model of separate grants would not enable a fair and open system of funding between Areas.

4. FINANCIAL IMPLICATIONS (INCLUDING VALUE FOR MONEY/VAT)

There are no specific financial implications arising from this report. The reviews referred to in this report will be the subject of future reports that will contain the financial impact of the reviews.

5. RISK MANAGEMENT ISSUES (INCLUDING LEGAL IMPLICATIONS AND CRIME AND DISORDER ACT IMPLICATIONS)
