Community Representatives from the Bridge, Clifton North, and Clifton South Wards as highlighted in Appendix 2, to the Area Committee for the municipal year 2017/2018.

1. REASONS FOR RECOMMENDATIONS

1.1 The Council's constitution requires Area Committees to formally confirm Community Representatives at the start of the municipal year and encourage citizens living in the ward to become involved in democratic decision making process alongside Councillors.

2. BACKGROUND (INCLUDING OUTCOMES OF CONSULTATION)

- 2.1 Each year the Area Committee invites nominations from relevant groups and organisations and appoints representatives from the wards. Nominations are attracted from groups that are active in the area, but there is also the need to ensure that the Committee reflects the views of all sectors of its community.
- 2.2 The role of the Community Representatives on an Area Committee has been designed to bring citizens living in the area in question into the democratic decision making process alongside Councillors.
- 2.3 The revised Terms of Reference for the Role of Area Committee Community Representatives include guidance on the selection and the role of the Community Representative and is designed to help achieve reflective representation of the ward.
- 2.4 The Council's constitution requires Area Committees to confirm community representatives at the start of each municipal year, normally a meeting in May and the Neighbourhood Development Officers have been liaising with local community groups in advance of this meeting.
- 2.5 Nomination forms were sent out along with the Terms and References for the Role of Area Committee Representative to groups and organisations on the basis that it provides a geographical representation of the ward.
- 2.6 Completed nomination forms and expression of interest for Community Representatives onto the Area 8 Committee for the municipal year 2017/18 were received from groups and community organisations and these are listed in Appendix 2.

3. OTHER OPTIONS CONSIDERED IN MAKING RECOMMENDATIONS

3.1 None

4. FINANCIAL IMPLICATIONS (INCLUDING VALUE FOR MONEY/VAT)

- 4.1 That the Area Committee set aside a small budget for the payment of travel and care costs for Community Representatives
- 5. RISK MANAGEMENT ISSUES (INCLUDING LEGAL IMPLICATIONS AND CRIME AND DISORDER ACT IMPLICATIONS)

5.1 None

6. **EQUALITY IMPACT ASSESSMENT**

The Role of Community Representatives

- You will be encouraged to act as an ambassador for the Area Committee to help to raise the profile of the work done by the Area Committee.
- You should attend all Area Committee meetings, events, training etc wherever possible.
- If you cannot attend the meetings try to find someone who will cover for you.
- You should represent the views of residents and of your group or community who live and work in the area.
- You will be encouraged and entitled to speak on all items discussed at Area Committee meetings.
- Events and training will be held for you to give you the confidence and knowledge to be actively involved within the Area Committee. We will ask you what training and events you would like.
- You will be invited to put forward items for discussion at the Area Committee meetings. You will need to do this at least 3 weeks before the date of the meeting.
- You will be encouraged to tell us when things are not running well.
- You will find it much easier to fulfill your role if you have read the reports before the
 meeting and, if possible, had a chance to discuss the report with your community
 group. Everyone will benefit from this as it allows the community representatives to
 play a much more active role and makes for a more effective and informed
 contribution to discussions and debate.
- Most importantly, any relevant information should be passed back to your community group to any local friends, neighbours or colleagues. None of the information made available during the meetings are secret or confidential.
- One of the biggest challenges for the Area Committee is to keep people informed. Your agreement to pass on information, display and distribute any publicity material in community venues and promote involvement in the work of the Area Committee and to take an active role in local community consultations is appreciated.
