5 MINUTES

The minutes of the meeting held on 16 February 2018 were confirmed as a true record and signed by the Chair.

6 CHAIRS' ANNOUNCEMENTS

The Chair welcomed Councillor Nicki Brooks, Councillor John Handley, and Councillor Mohammed Saghir as new members of the Authority. The Chief Fire Officer (CFO) will be in touch shortly with a welcome pack and to provide an overview of the Service.

On behalf of the Authority, the Chair will write to past members, Councillor Sybil Fielding, Councillor Liaqat Ali and Councillor Phil Rostance to thank them for their contribution during their time on the Authority.

As previously agreed by the Authority at its meeting on 2 February 2018, in May the Chair, Chief Fire Officer had attended a ceremony of thanks from citizens of Croatia to the Authority and citizens of Nottinghamshire for the donation of firefighting appliances and obsolete equipment which are much valued in Croatia. The Service has been listed in the town's book of friendship and an acknowledgement plaque installed in the market square. The Chair thanked Kev Ruane and the other volunteers for enabling this and other work of merit.

The Chair and CFO attended a meeting of all CFOs and Authority Chairs with Her Majesty's Inspectorate (HMI) at which it became clear that HMI's understanding of the Fire and Rescue Sector is increasing. It is anticipated that the inspection of this Authority will start during September or October but members will be informed.

With regard to collaboration, a very productive meeting was held with the Police and Crime Commissioner and Police Colleagues in advance of briefing consultants to undertake a feasibility study of a joint Fire and Police Head Quarters. The findings of the study are scheduled to be submitted the September meeting of the Authority.

Discussions between members of this Authority and Derbyshire's Fire and Rescue Authority have resulted in requests to both CFOs to establish a Joint Collaboration Board to further consider collaboration opportunities, including potential control room functions.

Members of the Authority were informed of the following events, with further details placed around the table:

Member's Property Tour – 29 June 2018
Newark Fire Station Opening - 5 September 2018
Member's Seminar -7 September 2018.
