# 19 BRIDGE ESTATE ANNUAL REPORT AND STATEMENT OF ACCOUNTS 2014/15

Barry Dryden, Senior Finance Manager, and Tom Straw, Finance Analyst, presented the Bridge Estate Annual Report and Statement of Accounts for the financial year 2014/15 and informed the Committee that the accounts were now fully audited.

The following points were highlighted:

Trusts and Charities Committee - 11.09.15

- (a) the Statements include a contribution of £1,504,028 to Nottingham City Council, enabling the Trusts objective of applying the residue of any income for the improvement of the City of Nottingham and the public benefit of its habitat inhabitants;
- (b) once approved by the Trustees, the final accounts will be submitted to the Charity Commission;
- (c) there had been a trading increase of £131,471;
- (d) there had been a £1,298,900 increase in asset value, primarily as a result of property re-evaluations;
- (e) the auditors did not find any issues with the accounts.

### RESOLVED

- (1) to approve the Bridge Estate Annual Report and Statement of Accounts for the financial year 2014/15 as in Appendix 1 to the report;
- (2) that the Bridge Estate makes a contribution of £1,504,028 to the City Council for pursuance of the Charity's objectives;
- (3) to approve the Letter of Representation included within the Audit Highlights Memorandum in Appendix 2 to the report.

### 20 PERIOD 4 (JULY) BUDGET MONITORING 2015/16

Barry Dryden, Senior Finance Manager, and Tom Straw, Finance Analyst, presented the report which informs Trustees of the Period 4 forecast outturn 2015/16 for the Bridge Estate, Highfield Leisure Park Trust and Harvey Hadden Stadium.

The following points were highlighted:

### Bridge Estate

- there is a £33,720 total surplus which could be invested in property if Trustees so wish;
- (b) a structural survey of Trent Bridge takes place every two years by bridge specialists to ensure it is fit and safe for purpose;
- (c) a contingency budget is held for the ongoing general maintenance of the bridge;
- (d) consideration will be given to value for money and the predicted life span of any paints used on the bridge.

Councillors queried whether it would be feasible to consider a double standard of paint with regard to surfaces which were visible and those which merely required coverage. Richard Cox, Senior Estates Surveyor responded that it may be possible to paint every five years instead of every 10 years but this should be raised with highways colleagues. Trustees were also concerned at the speed and severity of erosion of the sandstone in some areas of the bridge but specifically along the roadside, and requested further information on what was causing this erosion and how it could be addressed.

It is noted that all costs for highway maintenance on the bridge are shared between Nottingham City Council and Nottinghamshire County Council.

### Harvey Hadden Stadium Trust

- (e) as the stadium is newly finished, at this point it is difficult to predict any under/overspend for 2015/16;
- (f) the £82,410 for grounds maintenance will include the cost of groundsmen to maintain the stadium and a small part of the park, but not the whole park as this is the responsibility of Nottingham City Council. The cost prediction has been provided by the Parks and Open Spaces Section;
- (g) although it is a new building and repairs should be minimal, it is prudent that a building repairs budget is in place.

### Highfields Leisure Park

- (h) the Parks and Open Spaces Team manage Highfield Park and informs the Trust of the cost for grounds maintenance, which is £201,110 for 2015/16, based on the predicted or known time spent working in the park;
- (i) the improvement of the park focused on raising the standard to ensure a higher quality facility which would attract more people.

### RESOLVED

- (1) to note the report;
- (2) with regard to Trent Bridge, Highways colleagues are to be invited to attend the next meeting to inform the committee of:
  - (i) the process undertaken to assess the structural integrity and planned maintenance of Trent Bridge;
  - (ii) information on the causes of and solutions to the erosion of the roadside sandstone;
  - (iii) alternatives to the current painting schedule and materials used;
  - (iv) in advance of any renovation programme, suggestions as to how the maintenance and monitoring regimes of the bridge could be improved;
- (3) with regard to the newly built Harvey Hadden Stadium, members requested detailed information on the residual costs which are not covered by the building warranty;

- (4) for the Parks and Open Spaces Team to report to the next meeting with:
  - (i) a more detailed breakdown of the £201,110 cost for 2015/16 grounds maintenance of Highfields Park;
  - (ii) a progress report on the improvement work at Highfields Park.

### 21 <u>LEASE RENEWAL - ALEXANDER FLEMING BUILDING, NOTTINGHAM</u> <u>SCIENCE PARK</u>

Richard Cox, Senior Estates Surveyor, presented the report requesting that the Committee consider the lease renewal of the Alexander Fleming Building at Nottingham Science Park to Markem-Imaje Industries Ltd.

It is noted that Markem-Imaje Industries Ltd. maintain a good business reputation and their continued operation from within the City will provide mutual benefits.

RESOLVED to approve the terms for a new 5 year lease to Markem-Imaje Industries Ltd commencing on 22 October 2015 as detailed in the Exempt Appendix to the report.

### 22 EXCLUSION OF THE PUBLIC

RESOLVED to exclude the public from the meeting during consideration of the remaining item in accordance with Section 100A(4) of the Local Government Act 1972 on the basis that, having regard to all the circumstances, the public interest in maintaining the exemption outweighs the public interest in disclosing the information, as defined in paragraphs 3 of Part 1, Schedule 12A of the Act.

### 23 <u>LEASE RENEWAL - ALEXANDER FLEMING BUILDING, NOTTINGHAM</u> <u>SCIENCE PARK - EXEMPT APPENDIX</u>

Resolved to note the exempt appendix to the report of the Director of Strategic Asset and Property Management.

Х

### Recommendation(s):

1 That the forecast outturn for each of the trusts for 2015/16 be noted.

### 1. <u>BACKGROUND</u>

This report is an integral part of the Council's regular monitoring, forecasting and reporting system. The report enables the Trusts and Charities Committee to be aware of the financial position of the Charities and therefore allows any appropriate decisions or actions to be taken in their role as Trustee.

### 2. REASONS FOR RECOMMENDATIONS

As Trustee, the Council has responsibility for making recommendations on the management of the Charities. The budget is a key part of the framework for the financial management of the trusts and any subsequent recommendations.

### 3. FINANCIAL ANALYSIS-PERIOD 6 BUDGET MONITORING/FORECAST 2015/16

### 3.1 BRIDGE ESTATE - REVENUE

The forecast outturn for 2015/16 is detailed in **Table 1**. The forecast is based on the income and expenditure to September together with anticipated future income and expenditure to the year end.

Current projections indicate that there will be an overachievement of £11,436 against the budgeted surplus. In 2014/15, there was an underachievement against budget of £40,972 and the amount of grant paid to NCC was reduced by this amount. The payment of grant to NCC in 2015/16 will therefore be increased by £11,436 leaving a further £29,536 additional grant likely to be payable by 2017/18.

Projected variances against individual budget lines are explained below.

• Income (£4,067 additional) - This is made up of a number of items -

- Additional rent against budget of £27,000 following the rent review of the cold store at the Cattle Market
- Additional rent against budget of £7,000 following the increased rent at 140 Vernon Road
- Additional rent against budget of £15,000 following lettings at Wheeler Gate.
- Shortfall in income of £45,000 relates to voids at Whitemoor Court.

- Premises (£3,186 underspend) There is a one off additional cost of £3,000 over budget to bring all trees up to a sustainable standard. In addition there is a sum of £20,000 in respect of Council Tax Liabilities falling within Bridge Estate. This is currently under investigation. These costs are offset by an underspend of £5,000 on Business rates at Wheeler Gate now that it is fully let and a further underspend of £21,000 relating to reduced energy costs at Woolsthorpe Close.
- Supplies and Services (£7,228 overspend) This relates to costs totalling £12,000 for consultants work at Woolsthorpe, offset by savings of £5,000 on letting fees and holding costs due to properties being let (Mainly Century House & Wheeler Gate).
- Support Services (£8,054 underspend) This is due to a reduction in NCC Property Management Fees.
- Un-earmarked Reserve (£3,357 underspend) This contribution reduction is due to net effect of the above budget variances. The movement in Un-earmarked Reserves matches the movement in Net Surplus, this ensures that the unallocated surplus is £nil.

### 3.2 BRIDGE ESTATE – CAPITAL

**Appendix 1** shows the current projected position on Bridge Estate Capital Receipts, and the use of those receipts for capital financing. The appendix indicates that available receipts of  $\pounds700,436$  will be available at  $31^{\text{st}}$  March 2016. Note that currently, capital receipts are being used for the part repayment of principal on the loan taken out for the acquisition of Lister Gate. In 2015-16 £60,760 is being met from revenue and £135,384 is being met from capital receipts.

The Trust also holds non-property investments of £648,511, as shown in the table below -

| Table 2: Bridge Estate I<br>@ 31 March 20 |         |  |
|---|---------|--|
|   | £       |  |
| COIF Accumulation Units                   | 377,483 |  |

| TOTAL 648,511                             |         |  |

The Trust has also established a separate reserve for the repair of Trent Bridge. An annual contribution to the reserves of £72,000 is planned to generate funding for the repainting of the Bridge in 2018/19. The reserve position is as follows:

# Annual reports and financial statements are required for the Highfields Leisure Park Trust and

Annual reports and financial statements are required for the Highfields Leisure Park Trust and Harvey Hadden Stadium Trust, for which the City Council is the sole trustee.

This report sets out the 2014/15 accounts for Highfields Leisure Park Trust and Harvey Hadden Stadium Trust, which have been independently examined by the City Council's Internal Audit service as required by the Charity Commission.

Trustees are asked to review and approve the annual reports for Highfields Leisure Park Trust and Harvey Hadden Stadium Trust.

# Recommendation(s): 1 Approve the Harvey Hadden Stadium Trust annual report and financial statements for the financial year 2014/15 – Appendix 1 2 Approve the Highfields Leisure Park Trust annual report and financial statements for the financial year 2014/15 – Appendix 2

### 1. <u>REASONS FOR RECOMMENDATIONS</u>

There is a statutory requirement for all charities registered with the Charity Commission to produce an annual report and financial statements, and for that report to be audited or independently examined as appropriate, and submitted to the Charity Commission prior to the 31 January 2015 following the approval by the Trustees.

### 2. BACKGROUND (INCLUDING OUTCOMES OF CONSULTATION)

The Highfields Leisure Park Trust and Harvey Hadden Stadium Trust are charities of which NCC is the sole Trustee. The members of the Trust and Charities Committee are appointed by full council to fulfil the Council's responsibilities as Trustee and must ensure accounting records and a system of internal control is maintained for each of the charities. The Trustee is also responsible in ensuring the annual report and financial statements give a true and fair view and have been prepared in accordance with United Kingdom Accounting Standards (UK GAAP) and the Charities Act 2011.

### 3. OTHER OPTIONS CONSIDERED IN MAKING RECOMMENDATIONS

The annual reports and financial statements are shown in **Appendices 1 and 2**, but the following paragraphs summarise the key financial issues for 2014/15:

### Harvey Hadden Stadium Trust

- Increase in grant received from NCC in 2014/15 by £6,855.
- Incoming Resources The rental income has decreased (£15,859), as a result of the major construction works started in July 2014.
- Resources Expended

### **Premises**

The increase in premises costs of £22,672 is as a result of the major improvement and repair programme funding from Lottery Legacy grant. Unfortunately as the scheme progressed it uncovered additional repair works that were not included in the original bid.

### Support Services

The reduction in grounds maintenance expenditure throughout the year, is as a result of the major construction works around the stadium, therefore the staff were redeployed within Parks and Open Space Service.

### **Highfields Leisure Park Trust**

- Reduction in grant received from NCC in 2014/15 by £35,183.
- Incoming Resources

The decrease in fees and charges income ( $\pounds$ 8,802) and refreshment concessions ( $\pounds$ 5,986), was due to the effect of the extended tram works.

### • Resources Expended

The decrease in costs in relation to premises was as a result of a refund of electricity charges, while the decrease in support services expenditure was as a result of a reduction in patrolling costs.

### 4. <u>FINANCE COMMENTS (INCLUDING IMPLICATIONS AND VALUE FOR</u> <u>MONEY/VAT)</u>

The financial implications have been considered in the body of the report.

### 5. <u>LEGAL AND PROCUREMENT COMMENTS (INCLUDING RISK MANAGEMENT</u> ISSUES, AND LEGAL, CRIME AND DISORDER ACT AND PROCUREMENT IMPLICATIONS)

None

### 6. EQUALITY IMPACT ASSESSMENT

| Has the equality impact been assessed?                                | $\square$ |
|---|-----------|
| Not needed (report does not contain proposals or financial decisions) | $\square$ |
| No  |           |
| Yes – Equality Impact Assessment attached                             |           |

Due regard should be given to the equality implications identified in the EIA.

### PLAN OF HARVEY HADDEN STADIUM

### HISTORY AND OBJECTIVES OF THE CHARITY

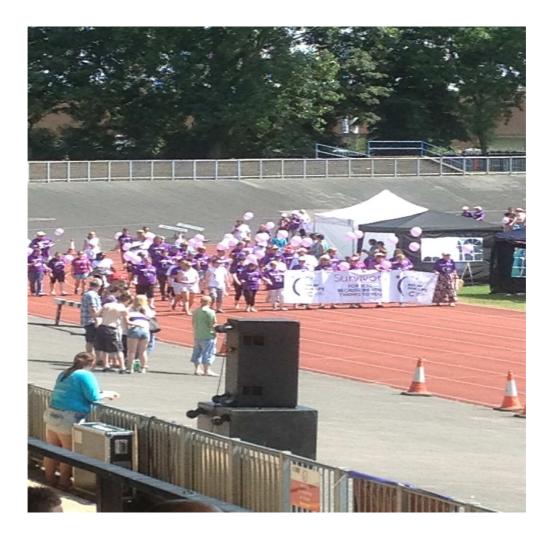

On 18<sup>th</sup> July 1955 the court made a scheme and order for an athletics stadium to be erected out of the bequest of Harvey Hadden. Under the terms of the scheme Nottingham City Council was stated to be the owner of Bilborough Park and used its statutory powers to set aside part of the land for use as a stadium. Construction of the stadium began in 1955 with completion in 1960/61. The entire legacy of Harvey Hadden funded part of the cost of construction. Therefore it follows that the land on which the stadium is built is subject to the Councils obligation to make it available for the use of the stadium charity.

Under the court order there is a requirement for "the Corporation" – now Nottingham City Council – to maintain the stadium built with those funds, "under the name of Harvey Hadden Stadium in good order and condition in perpetuity for the purposes of public recreation".

### **Objectives of Charity:**

To ensure the provision of public sport and recreation, for the people of the City of Nottingham and visitors to the city forever.

In order to achieve this, a programme of on going grounds maintenance and related infrastructure improvements are completed each year. This ensures that the sport and recreation provision is well maintained and provides good quality public recreation facilities.

### Induction and training of Trusts and Charities Committee

Following appointment councillors are introduced to their new role and given a number of publications from the Charity Commission. These include guidance on charities and a document issued specific for members of Local Authorities titled 'Councillors Guide: to a council's role as charity trustee.' This ensures that new councillors' are aware of the scope of their responsibilities under the Charities Act.

### Organisational structure of the charity

Harvey Hadden Stadium Trust is a charity of which the Council is sole trustee and is responsible for the general control and management of the charity. These responsibilities are delegated to the Trusts and Charities Committee by full Council. The Trusts and Charities Committee give their time freely and receive no remuneration or other financial benefits.

All transactions relating to Harvey Hadden are subject to the same financial regulations and procedures as those relating to land and property held by the Council. Since May 2011 the Trusts and Charities Committee has replaced the Executive Board for the purpose of approving transactions.

### **Risk Management**

The Harvey Hadden Stadium Trust adopts the Council's risk management policy as appropriate.

The following statement best sums up the purpose of risk management:

"To ensure that the Council is not risk averse and takes or faces risks knowingly and manages them appropriately."

The Trustee is committed to a programme of risk management to protect the charity's assets. A risk register is held which identifies the keys risks and the measures in place to mitigate such risks. Procedures are also in place to ensure that appropriate advice and support is provided to Trusts and Charities Committee as and when required.

### Insurances

Harvey Hadden Stadium is covered by the Council's insurance policy. The Council pays the premium.

### THE TRUSTEES' RESPONSIBILITIES

The Charity Commission has introduced a new framework for accounting for charities to meet the need for public accountability for the resources held by charities. It is a combination of legislation and best practice.

The legal requirements are contained in the Charities Act 2011 which came into effect on 14 March 2012.

The accounting and reporting requirements are complemented by a revised Statements of Recommended Practice: Accounting by Charities (the Charities SORP) issued in 2005.

The Trustee is required:

- to make arrangements for the proper administration of the charity's financial affairs;
- to prepare the annual report and financial statements for each financial year to present a true and fair view of the charity's state of affairs as at the end of the financial year and of its incoming resources and its application for resources in that year.

In preparing these statements the trustee has ensured:

- suitable accounting policies have been selected and applied consistently;
- judgements and estimates have been made that were reasonable and prudent;
- the relevant legal requirements and recommended practices have been followed;
- they are prepared on the basis that the Harvey Hadden Stadium is a going concern.

The Trustee is responsible for ensuring that proper accounting records are kept which are up to date and for maintaining a satisfactory system of control over the charity's accounts and transactions.

The Trustee is also responsible for ensuring that arrangements are made to safeguard the assets of the charity and reasonable steps are taken for the prevention and detection of fraud and other irregularities.

The Trustee must take any steps that they ought to have taken in order to make themselves aware of any relevant independent examination information and to establish that the charity's independent examiners are aware of any such information.

As far as the Trustee is aware there is no relevant independent examination information about which the Harvey Hadden Stadium independent examiners are unaware.

### PUBLIC BENEFIT

The primary objective of the charity is to provide public sports and recreation for the people of the City of Nottingham forever. To achieve this, a programme of ongoing maintenance of the ground and related infrastructure is completed each year. This ensures the provision of well maintained, good quality public recreation facilities. The Trustee confirms that it has referred to the Charity Commission guidance on public benefit when reviewing the aims and objectives and when setting plans for the future. Harvey Hadden is open to the public at large on an open access basis. There are fees charged and booking arrangements in place for the use of the athletic track and sports facilities.

### ADOPTION OF ANNUAL REPORT AND FINANCIAL STATEMENTS

The annual report and financial statements are approved by the Trusts and Charities Committee and signed on behalf of the Trustee by:

### **REVIEW OF ACTIVITIES—ACHIEVEMENT AND PERFORMANCE**

Harvey Hadden Stadium was built in the late 1950's with money left in a trust by the late Harvey Hadden. The stadium originally had a 479m cycling velodrome and a seven lane synthetic athletics track. With easy access for both disabled and able-bodied customers and only a couple of miles from the M1 motorway the stadium is a well used and popular venue.

### Participation Summary

Due to closure of the Stadium to carry out refurbishment works, the usage on site during 2014/15 was significantly reduced.

### Club Use

The only usage throughout April – July 2014 came from Notts Athletic Club who continued to use the venue for training.Notts Athletic Club is a well established athletics club based at the stadium. They trained on a Saturday morning and four nights per week

Due to the closure American football club Nottingham Caesars were unable to hold their home games at the Stadium during 2014/15, however, they are due to make their return in 2015/16.

### School Use

We were unable to accept any School athletics bookings in 2014/15 due to the closure, however, we will be writing to Schools who have previously used the Stadium later this year to detail the improvements made and to ask for details of their 2016 booking requirements.

### Sport England Iconic Project

The Council has used the approved £13.550m to build a 50 metre pool on site and refurbish the current dry side facilities that are located adjacent to the Stadium. The completion date of the project is Spring 2015.

The bid, which was submitted to Sport England in December 2012 to support the development of the 50m pool with the addition of improvements to:

- 8<sup>th</sup> Lane as part of the running track
- Closed road cycle track
- Revised outdoor changing rooms
- 3 squash courts
- Improved football pitch provision
- Landscape enhancements of the park

The council is looking to develop an overall masterplan for the park area which could then form the basis for future investment opportunities over the next 5 years as funds become available.

### **FINANCIAL REVIEW**

The Council provides grant monies to finance the annual operating deficit of the trust. In 2014/15 this amounted to  $\pounds75,039$  (2013/14  $\pounds68,184$ ) which is an increase of  $\pounds6,855$  compared to the previous financial year. This grant supports the key objectives of the Trust.

### Policy on Reserves

The Council is a key partner in delivering the objectives of the Trust and has shown a continued commitment to meet any net expenditure in the year. It is therefore not felt appropriate for the Trust to hold reserves.

### THE FINANCIAL STATEMENTS

The financial statements include comparative figures for the previous year and consist of the following:

- **Statement of Financial Activities** is a single accounting statement with the objective of showing all incoming resources expended by the charity in the year;
- Balance Sheet setting out the assets, liabilities and funds of the charity;
- **Notes to the Financial Statements** explaining the accounting policies adopted and explanations of information contained in the financial statements.

The financial statements have been prepared in accordance with statutory requirements and the Statement of Recommended Practice: Accounting and Reporting by Charities (revised 2005).

### NOTES TO THE FINANCIAL STATEMENTS

#### **1. ACCOUNTING POLICIES**

#### **General Principles**

The Annual Report summarises the Harvey Hadden Stadium transactions for 2014/15 financial year together with its financial position at 31 March 2015.

This section explains the accounting policies applied in producing the Annual Report for the Harvey Hadden Stadium Trust.

Accounting policies are the principles, bases, conventions and rules by which transactions are recognised, measured and presented in the accounts.

#### Basis of preparation

The accounts have been prepared in accordance with the Charities Act 2011 and applicable regulations and "Accounting and Reporting by Charities: Statement of Recommended Practice", issued by the Charities Commission in February 2005 (The Charities SORP).

The accounts have been prepared in accordance with the historic cost basis of accounting except for fixed assets which have been included at notional amount.

Compliance with the Charities SORP and the adoption of accounting standards and principles issued or adopted by the Accounting Standards Board ensures that the accounts show "a true and fair view" of transactions during the year and the financial position of the Harvey Hadden Stadium Trust at the year end.

#### Incoming Resources

Income receipts are accrued and accounted for in the period to which they relate. Income received in advance is recognised as a liability on the balance sheet within creditors.

Income from Nottingham City Council funds the net expenditure of the Harvey Hadden Stadium Trust for the benefit of the citizens of Nottingham.

#### **Resources Expended**

All expenditure is accrued and accounted for in the period during which they are consumed or received. Accruals have been made for all material sums unpaid at the year end for goods or services received or work completed. Payments made in advance are recognised as an asset on the balance sheet within debtors.

#### Charitable Activities

These costs mainly relate to premises expenses, which includes day to day maintenance, grounds maintenance and patrol.

#### Governance Costs

Governance costs, including the administration of the trust are directly funded by the Council, and these costs are not shown in the trust accounts.

#### **Fixed Assets**

#### Freehold land and buildings

The valuation of assets is a notional value that reflects the trusts perpetual covenant for general public access to and use of the stadium.

As a notional value is used, depreciation and impairment reviews are not applicable.

#### Accruals of Expenditure and Income

The accounts of the Harvey Hadden Stadium Trust are maintained on an accruals basis. This means that sums due to or from the Harvey Hadden Stadium Trust during the year are included whether or not the cash has actually been received or paid in the year.

Where income and expenditure has been recognised but cash has not been received or paid, a debtor or creditor for the relevant amount is recorded in the balance sheet. Cash received or paid and not yet recognised as income or expenditure is shown as a creditor (receipt in advance) or debtor (payment in advance) in the balance sheet and the statement of financial activities adjusted accordingly.

Where it is doubtful that a debt will be settled, the balance of debtors is written down and a charge made to the statement of financial activities for the income that might not be collected. This bad debt provision is offset against the debtor balance on the balance sheet.

In many cases the value to be entered in respect of accrued transactions will be certain. In others, this value has to be estimated and reference is then made to past transactions and trends in order to determine the likely value.

#### Cash

This is represented by cash at bank which is held within the Council's bank account on behalf of the Harvey Hadden Stadium Trust charity and cash in hand.

#### Funds of the Charity

#### Unrestricted fund

A fund held on charitable trust for a purpose within the charity's objectives. The fund is equivalent to the notional value of the freehold land and buildings.

#### Going concern

The Annual Report is prepared on a going concern basis.

#### 2. TAX STATUS

Harvey Hadden Stadium is a registered charity and is therefore exempt from income tax on income falling within S505 ICTA 1988. The Council is the sole trustee of the Harvey Hadden Stadium Trust and, in accordance with VAT notice 749, is entitled to recover VAT incurred on the expenditure of the Harvey Hadden Stadium Trust under section 33 of the VAT Act 1994.

#### 3. ANALYSIS OF THE FIGURES IN THE STATEMENT OF FINANCIAL ACTIVITIES

The figures in the accounts are in relation to recreational activities during 2014/15.

#### 4. TRANSACTIONS WITH RELATED PARTIES

The Council is the sole trustee of the Harvey Hadden Stadium Trust and any transactions between these two parties must be disclosed in accordance with the Charity SORP.

The Council gave a grant of £75,039 to the Harvey Hadden Stadium in 2014/15, which funded the net expenditure of the charity (2013/14 £68,184).

Other transactions between the charity and NCC are in respect of the day to day operations of the charity. The Council charged the charity £26,767 (2013/14 £58,620) in respect of grounds maintenance which is included in Resources Expended – Charitable Activities, within the Statement of Financial Activities.

Individual councillors of NCC did not receive any benefits from the Harvey Hadden Stadium Trust.

## Independent Examiner's report to the Trustees of the Harvey Hadden Stadium Trust

I report on the accounts of the Trust for the year ended 31<sup>st</sup> March 2015, which are set out on pages 1 to 23.

## Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) or under Regulation 10(1)(a) to (c) of the Charities Accounts (Scotland) Regulations 2006 (the 2006 Regulations) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act 2011 and under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 (the 2005 Act);
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

## Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission and is in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

## Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1. which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with section 130 of the 2011 Act and section 44 (1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations; and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act and section 44(1)(b) of the 2005 Act and Regulation 8 of the 2006 Accounts Regulations

have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## HISTORY AND OBJECTIVES OF THE CHARITY

In order to understand the objectives of the charity it is important to consider the history of the trust and how Nottingham City Council has managed and developed Highfields Park as a first class facility for sport, leisure and recreation since the creation of the trust.

The Sir Jesse Boot Memorial Scheme was created by the 1920 Indenture.

Between 1919 and 1920, Sir Jesse acquired a mansion house called Highfields together with adjoining land lying west of the city of Nottingham. By Memorandum of Agreement dated 9 December 1921, it was agreed by Sir Jesse and the trustees of the 1920 indenture that the Highfields Estate had been purchased by Sir Jesse as agent for and on behalf of the Sir Jesse Boot Memorial Scheme.

It was also agreed that the trustees would pay Sir Jesse £57,000 out of the trust fund as reimbursement of the costs of the purchase. In return Sir Jesse would convey the Highfields Estate to the trustees or as they might direct.

By an indenture dated 1 November 1923 made between Sir Jesse, the trustees of the 1920 indenture and the Council, Sir Jesse, at the request of the trustees, conveyed part of the Highfields Estate to the Council to hold the same "for the purpose of public recreation and pleasure grounds for the people of the City of Nottingham forever" this created the present trust. By an indenture of the same date made between Sir Jesse, the trustees of the 1920 indenture and the University College of Nottingham ("the University"), the rest of the Highfields Estate (including the Manor House) was conveyed to the University.

It appears the memorial scheme was wound up in 1925.

The land conveyed to the Council was for the most part laid out as a park, although some areas were not so laid out and remained derelict. The land lies to the south of the University and to the north of the railway. It is divided along the east-west axis by University Boulevard.

To the north of University Boulevard is a large boating lake with lakeside walks, formal gardens and fine turf sports facilities including putting, bowls and croquet greens. Plantations of rhododendrons and mature trees provide a unique natural backdrop to enhance the park setting.

To the south of University Boulevard are playing fields, for winter and summer outdoor sports, together with a running track.

Over the years there have been a number of dispositions of freehold interest in the land. These include various land exchanges with the University, the acquiring of land at Beeston Sidings immediately to the south of Highfields Park and the conveyance of land to Nottinghamshire County Council for road widening purposes.

In addition, the Council as Trustee, over this time, has granted a number of leases (or licences) of land subject to the 1923 Indenture. For example, the site of the former Highfields Lido to the University - to develop the area as an art centre. Also included are lease agreements with the trustees of Highfields Hockey Club for the former sports pavilion tea-rooms. A lease has also been agreed with the croquet club for use of the croquet pavilion and four lawns and to the University for the running track and associated facilities.

More recently a lease of the pavilion and surrounding land to the University has been agreed with the agreement to demolish the old pavilion and build a new one, which will provide more comprehensive facilities to the public including a theatre, presentation space, café and public toilets.

Part of the Trust land to the south of University Boulevard was developed during the early 1980's as a Science Park with low-density buildings for light industrial and scientific office use. In December 1998, the Science Park was exchanged for Council land at Beeston sidings, which had been laid out for sporting and recreational activities.

#### **Objectives of Charity**

The provision of public recreation and pleasure grounds for the people of the City of Nottingham forever.

In order to achieve this, a programme of ongoing maintenance of grounds and equipment is completed each year. This ensures the provision of well maintained public recreation and pleasure grounds.

#### **Trusts and Charities Committee**

Councillors are appointed to membership of the Trusts and Charities Committee by full council to fulfill the Council's responsibilities as trustee. Once established, the Constitution allows that where inyear changes are required to memberships, either at the request of the relevant political group or because a member has resigned or ceased to be eligible for membership, the Chief Executive has the authority to action those changes subject to political balance being preserved where applicable and to the changes made being reported to the next meeting of Council. Details of membership will be updated and published on the Council's website on an ongoing basis. Members of the Trusts and Charities Committee appointed to approve the annual report and financial statements for the financial year 1 April 2014 to 31 March 2015 are as follows:

| Councillor John Hartshorne (Chair)                         |

#### Induction and training of Trusts and Charities Committee Members

Following election, councillors are introduced to their new role and given a number of publications from the Charity Commission. These include guidance on charities and a document issued specific for members of Local Authorities titled 'Councillors Guide: to a council's role as charity trustee.' This ensures that new trustees' are aware of the scope of their responsibilities under the Charities Act.

#### Organisational structure of the charity

Highfields Leisure Park Trust is a charity of which the Council is sole trustee and is responsible for the general control and management of the charity. These responsibilities are delegated to the Trusts and Charities Committee by full Council. The Trusts and Charities Committee give their time freely and receive no remuneration or other financial benefits.

All transactions relating to the Highfields Leisure Park Trust are subject to the same financial regulations and procedures as those relating to land and property held by the Council. Since May 2011 the Trusts and Charities Committee has replaced the Executive Board for the purpose of approving transactions.

#### **Risk Management**

The Highfields Leisure Park Trust adopts the Council's risk management policy as appropriate.

The following statement best sums up the purpose of risk management:

"To ensure that the Council is not risk averse and takes or faces risks knowingly and manages them appropriately."

The Trustee is committed to a programme of risk management to protect the charity's assets. A risk register is held which identifies the keys risks and the measures in place to mitigate such risks. Procedures are also in place to ensure that appropriate advice and support is provided to the Trusts and Charities Committee as and when required.

#### Insurances

Highfields Leisure Park is covered by the Council's insurance policy. The Council pays the premium.

## THE TRUSTEES' RESPONSIBILITIES

The Charity Commission has introduced a new framework for accounting for charities to meet the need for public accountability for the resources held by charities. It is a combination of legislation and best practice.

The legal requirements are contained in the Charities Act 2011 which came into effect on 14 March 2012.

The accounting and reporting requirements are complemented by a revised Statements of Recommended Practice: Accounting by Charities (the Charities SORP) issued in 2005.

The Trustee is required:

- to make arrangements for the proper administration of the charity's financial affairs;
- to prepare the annual report and financial statements for each financial year to present a true and fair view of the charity's state of affairs as at the end of the financial year and of its incoming resources and its application for resources in that year.

In preparing these statements the Trustee has ensured:

- suitable accounting policies have been selected and applied consistently;
- judgements and estimates have been made that were reasonable and prudent;
- the relevant legal requirements and recommended practices have been followed;
- they are prepared on the basis that the Highfields Leisure Park is a going concern.

The Trustee is responsible for ensuring that proper accounting records are kept which are up to date and for maintaining a satisfactory system of control over the charity's accounts and transactions.

The Trustee is also responsible for ensuring that arrangements are made to safeguard the assets of the charity and reasonable steps are taken for the prevention and detection of fraud and other irregularities.

The Trustee must take any steps that they ought to have taken in order to make themselves aware of any relevant independent examination information and to establish that the charity's independent examiners are aware of any such information.

As far as the Trustee is aware there is no relevant independent examination information about which the Highfields Leisure Park independent examiners are unaware.

## **PUBLIC BENEFIT**

The primary objective of the charity is to provide public recreation and pleasure grounds for the people of Nottingham forever. To achieve this, a programme of ongoing maintenance of grounds and equipment is completed each year. This ensures the provision of well maintained, good quality public recreation facilities. The Trustee confirm they have referred to the Charity Commission guidance on public benefit when reviewing the aims and objectives and when setting plans for the future. Highfields is open to the public at large assuring public benefit on an open access basis. There are no restrictions regarding the members of public who may use Highfields. No fees are charged for access to the park but some fees are charged for various concessions within the park.

## **ADOPTION OF ANNUAL REPORT AND FINANCIAL STATEMENTS**

The annual report and financial statements are approved by the Trusts and Charities Committee and signed on behalf of the Trustee by:

## Action Plan (April 2015—March 2016)

#### The Restoration Project

The project consists of a comprehensive programme of restoration works designed to fully restore the Park, build upon its heritage and create a community facility for the 21<sup>st</sup> century. In 2009 and 2010 a series of surveys of the site (including trees, heritage features and the lake) were undertaken by specialist consultants FPCR and a masterplan produced by them.

These documents, including outline cost estimates, were used to produce a new master plan which was worked up to greater detail as part of the Stage One and Stage Two Heritage Lottery (HLF) bids.

The £4.2m project, in partnership with the University of Nottingham, was awarded a Stage Two pass in January 2015 and work will start on site in summer 2015. It is expected that the restoration works will last approximately one year.

## FINANCIAL REVIEW

The Council provides grant monies to finance the annual operating deficit of the Trust. In 2014/15 this amounted to £69,161 (£104,344 2013/14), which is a decrease of £35,183 compared to the previous financial year. This grant supports the key objectives of the Trust.

#### Policy on Reserves

The Council is a key partner in delivering the objectives of the Trust and has shown a continued commitment to meet any net expenditure in the year. It is therefore not felt appropriate for the trust to hold reserves.

## THE FINANCIAL STATEMENTS

The financial statements include comparative figures for the previous year and consist of the following:

- **Statement of Financial Activities** is a single accounting statement with the objective of showing all incoming resources expended by the charity in the year;
- Balance Sheet setting out the assets, liabilities and funds of the charity;
- Notes to the Financial Statements explaining the accounting policies adopted and explanations of information contained in the financial statements.

The financial statements have been prepared in accordance with statutory requirements and the Statement of Recommended Practice: Accounting and Reporting by Charities (revised 2005).

## NOTES TO THE FINANCIAL STATEMENTS

#### **1. ACCOUNTING POLICIES**

#### **General Principles**

The Annual Report summarises the Highfields Leisure Park transactions for 2014/15 financial year together with its financial position at 31 March 2015.

This section explains the accounting policies applied in producing the Annual Report for the Highfields Leisure Park Trust.

Accounting policies are the principles, bases, conventions and rules by which transactions are recognised, measured and presented in the accounts.

#### Basis of preparation

The accounts have been prepared in accordance with the Charities Act 2011 and applicable regulations and "Accounting and Reporting by Charities: Statement of Recommended Practice", issued by the Charities Commission in February 2005 (The Charities SORP).

The accounts have been prepared in accordance with the historic cost basis of accounting except for fixed assets which have been included at a notional amount.

Compliance with the Charities SORP and the adoption of accounting standards and principles issued or adopted by the Accounting Standards Board ensures that the accounts show "a true and fair view" of transactions during the year and the financial position of the Highfields Leisure Park Trust at the year end.

#### Incoming Resources

Income receipts are accrued and accounted for in the period to which they relate. Income received in advance is recognised as a liability on the balance sheet within creditors.

Nottingham City Council funds the net expenditure of the Highfields Leisure Park Trust for the benefit of the citizens of Nottingham.

#### **Resources Expended**

All expenditure is accrued and accounted for in the period during which they are consumed or received. Accruals have been made for all material sums unpaid at the year end for goods or services received or work completed. Payments made in advance are recognised as an asset on the balance sheet within debtors.

#### Charitable Activities

These costs mainly relate to premises expenses, which includes day to day maintenance, grounds maintenance and patrol.

#### Governance Costs

All governance costs, including the administration of the trust are directly funded by the Council and are not shown in the trust accounts.

#### **Fixed Assets**

#### Freehold land and buildings

The valuation of assets is a notional value that reflects the trusts perpetual covenant for general public access to and use of the park.

As a notional value is used, depreciation and impairment reviews are not applicable.

#### Investment assets

This is the loan/investment, stated at market value, of Highfields Leisure Park Trust's capital receipts with the Council upon which interest (Bank of England base rate) is received. This interest is shown within the statement of financial activities – Investment Income.

#### Accruals of Expenditure and Income

The accounts of the Highfields Leisure Park Trust are maintained on an accruals basis. This means that sums due to or from the Highfields Leisure Park Trust during the year are included whether or not the cash has actually been received or paid in the year.

Where income and expenditure has been recognised but cash has not been received or paid, a debtor or creditor for the relevant amount is recorded in the balance sheet. Cash received or paid and not yet recognised as income or expenditure is shown as a creditor (receipt in advance) or debtor (payment in advance) in the balance sheet and the statement of financial activities adjusted accordingly.

Where it is doubtful that a debt will be settled, the balance of debtors is written down and a charge made to the statement of financial activities for the income that might not be collected. This bad debt provision is offset against the debtor balance on the balance sheet.

In many cases the value to be entered in respect of accrued transactions will be certain. In others, this value has to be estimated and reference is then made to past transactions and trends in order to determine the likely value.

#### Cash

This is represented by cash at bank which is held within the Council's bank account on behalf of the Highfields Leisure Park Trust charity and cash in hand.

#### Funds of the Charity

#### Unrestricted fund

A fund held on charitable trust for a purpose within the charity's objectives. The fund is equivalent to the notional value of the freehold land and buildings.

#### Restricted Funds

Capital receipts in respect of the sale or lease of land and buildings held and invested pending expenditure on further purchases of land or property for investment purposes.

#### Going concern

The Annual Report is prepared on a going concern basis.

#### 2. TAX STATUS

Highfields Leisure Park is a registered charity and is therefore exempt from income tax on income falling within S505 ICTA 1988. The Council is the sole trustee of the Highfields Leisure Park Trust and, in accordance with VAT notice 749, is entitled to recover VAT incurred on the expenditure of the Highfields Leisure Park Trust under section 33 of the VAT Act 1994.

#### 3. ANALYSIS OF FIGURES IN THE STATEMENT OF FINANCIAL ACTIVITIES

The figures in the accounts are in relation to recreational activities during 2014/15.

## Independent Examiner's report to the Trustees of the **Highfields Leisure Park Trust**

I report on the accounts of the Trust for the year ended 31<sup>st</sup> March 2015, which are set out on pages 1 to 23.

## Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) or under Regulation 10(1)(a) to (c) of the Charities Accounts (Scotland) Regulations 2006 (the 2006 Regulations) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act 2011 and under section • 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 (the 2005 Act);
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

## Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission and is in accordance with Regulation 11 of the Charities Accounts (Scotland) Regulations 2006. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

## Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- 1. which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with section 130 of the 2011 Act and section 44 (1)(a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations: and
  - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act and section 44(1)(b) of the 2005 Act and Regulation 8 of the 2006 Accounts Regulations

have not been met: or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## Summary of issues (including benefits to citizens/service users):

This report details the Grounds Maintenance charges levied by the Council to Highfields Trust based on outturn actuals and budget for the current financial year.

## Recommendation(s):

**1** That the trend of Grounds Maintenance expenditure at Highfields from 2012/13 actual to 2015/15 budget be noted.

## 1. <u>REASONS FOR RECOMMENDATIONS</u>

As Trustee, the Council has set aside a grounds maintenance budget of £201k for financial year 2015/16. This report further splits the 2015/16 budget into the key areas of expenditure and comparing the 2015/16 budget to the actual outturn for Ground Maintenance in prior financial years.

## 2. BACKGROUND (INCLUDING OUTCOMES OF CONSULTATION)

The report enables the Trusts and Charities Committee to be aware of the financial position of the Charities and therefore allows any appropriate decisions or actions to be taken in their role as Trustee.

## 3. FINANCE ANALYSIS

Grounds maintenance charged paid by the Highfields Trust is detailed in **Table 1**. The amounts paid has been taken from the Highfields outturn reports at financial year close and the 2015/16 budget figure has been taken from the latest Highfields monitoring report.

\* Please note in 2012/13 the Provision of Boating and Patrol Men was charged within the same budget area and as such it is unable to be split

The overall trend is for ground maintenance charges paid by Highfields Trust to decrease, with a 4.5% reduction in charges from 2012/13 to 2015/16. These cost reductions have arisen due to efficiency savings identified by Parks and Open Spaces as part of the City Council budget process.

- Improved events and activities
- New Park Ranger
- New Head Gardener

## Conditions of the HBLF Grant

- Formal Partnership with the University of Nottingham
- To apply for, secure and sustain the Green Flag Award
- To establish a social enterprise for the parks

## Project Update

Since the approval the project group have been working up the detailed design and confirming cost certainty for all the works packages.

It has become very clear that since the application date back in 2014 the construction industry has fully received from the recession and as a result the

entire industry has seen significant price increases. This has mainly affected the rates of construction and increases in preliminary costs

In addition to this the final detailed analysis of the silt and market testing of the de silting methodology has again identified price increases.

As a result these items have delayed our original work programme and it has taken a long time to both re focus evaluate and re scope the project in order to bring the project back in budget.

Options have now ben identified and we are awaiting final approval from the HBLF before moving the project to Full Financial close later in December. In Mobilisation will start in January after the Christmas break and full construction will start in February. The majority of works will be completed within 1 year.

## **Ground Maintenance and Site Management**

As part of the grant conditions the park needs to be maintained in line with Green flag Award standards. A full copy of the Green Flag Maintenance and Management plan is attached. The MMP provides full details of al the sites maintenance and management operations.

This year the park has continued to develop the parks events an activity programme which has included:

- Highfields User Group meetings
- Liaison with Friends of University Park
- Highfields Park restoration rambles.
- Highfields Park memories events and research.
- Hands-on conservation work with volunteers including the UoN Conservation Society and corporate volunteers such as e-on.
- Working with Lakeside on partnership events such as Whee!, Diwali and Chinese New Year.
- Developing an Aestheti/Art code app for the park.
- Young Ranger days.

Another significant project this year was the installation of a pair of stone lion statues into the park, overlooking the lake. The lions were a gift from Ningbo, China to celebrate 10 years of partnership from 2005-2015.
