6 NOTTINGHAM CITY HOMES UPDATE REPORT

Kristian Murden, Area Housing Manager at Nottingham City Homes (NCH), presented an update to the Committee:

- (a) a consultation exercise was held recently with Winchester and Woodthorpe residents to discuss future improvement works including external wall insulation and heating upgrades. Positive feedback was received and artists impressions of the improvements were taken favourably;
- (b) fencing upgrades in Northwood Crescent and Springfield Street are now complete, and other areas are being investigated to see if they would benefit from a similar scheme:
- (c) NCH have recently taken over the caretaking of the Frobisher and Wilmington garden flats. This has already had a positive impact on the tenants as they have a caretaker on a daily basis so the areas are kept very clean and tidy.

The following comments were made during the discussion which followed:

- (d) the positive consultation from residents of Winchester and Woodthorpe is very positive, considering there will be major work and upheaval for them whilst this is ongoing;
- (e) there are some gaps in the new fencing on Northwood Crescent.

RESOLVED to

- (1) note the update and performance information;
- (2) note the allocation of funds for 2016/17:

Sherwood - £41,993.09 Berridge - £6,860.83

(3) investigate the gaps in the fencing at Northwood Crescent and resolve the problem.

7 POLICE UPDATE

Inspector James Woolley, Nottinghamshire Police, provided a verbal update to the Committee, highlighting the following:

Berridge Ward

- (a) in quarter 4, overall crime was down. There were small increases in anti-social behaviour and robbery, and reductions in burglary and vehicle crime;
- (b) at the year end, overall crime was down, with reductions in robbery and dwelling burglary, but a slight increase in violence. There has been a change in policing inspectors to Rob Wilson and Sergeant Shipley;

Sherwood Ward

- (c) in quarter 4, overall crime was down 10%. There has been an increase of violence of 29%, but reductions in robbery and burglary and a large 67% reduction in vehicle crime. There has also been reductions in shoplifting and antisocial behaviour:
- (d) at the year end all crime was down by 4%. Violence has increased by 19% but burglary, robbery and vehicle crime are all down. Issues with crime at the prison have been in the news, but the police is working with the prison to prevent this;
- (e) the sergeant for Sherwood is now Nick Wealthall, the beat managers are the same as before and the area is losing one Community Support Officer. A new Facebook page has been launched for policing in the area and has been very successful:

Committee members would like to see crime figures included in the ward report as they used to be. The new ward report format is in a period of review so this will be fed back.

RESOLVED to note the information
