## St Ann's Ward Priorities.

Theme	Priorities	Key Actions	Secondary actions	Outcome	Lead
Safer	ASB	CP/ Police ASB night car have received 102 visits have been made	This has had an impact on the amount of call being reported in the area	Reduction in ASB	Police/ NAT
		in respect of Noise and low anti social behaviour in December, although			CPS
		still considerably high is only 5 more reports during the festivity month			Police
		Litter Surveillance	Ransom Road and St Bartholomew's Rd (Donkey Hill )	Cleaner Streets	CPS
	Dog Fouling	Dog Fouling Patrols Micro chipping	The NAT team will be identifying key hotspots to plan in 4	Cleaner Streets Chipped Dogs Improvement in dog ownership/responsibility	CPS Dog Trust Neigh'hood Services
	Domestic Violence	St Anns DV Steering Group are in the process of agreeing the new Terms of Reference since taking on the governance of the new Specialist Worker Project in the area	The aim of the project will be to offer support for workers who are currently working with medium and standard risk families. There will be two Domestic Abuse specialists – one will work with survivors and children and the other with perpetrators. The two specialist will work primarily	<ul> <li>Work with survivors:</li> <li>Develop a partnership with and specialist sector</li> <li>Identifying survivors</li> <li>Routine and direct enquiry</li> <li>Identifying risk and safety planning</li> <li>Practical responses for survivors</li> </ul>	St Anns DV Steering Group

with Social Workers and Family Support Workers in the area  **Empowerment**  *Referrals where appropriate and required  **Work with perpetrators:*  **Enable practitioners to challenge standard risk perpetrators beliefs that they benefit from controlling behaviour Give perpetrators options to recognise the benefit from healthier relationships  **Explore with perpetrators motivation for abuse and impetus for change in behaviour.*  **Equip practitioners with tacks to encourage perpetrators to reduce their risk to their families  **Work with children and young people:*  **Further understanding and skills to work more effectively with children and young people who are survivors of domestic abuse  **Understand how to approach children and young people directly.*  **Referrals where appropriate and required
