What's working well?

- We clear 90% of reported fly tip, graffiti and dog fouling within 48hours
- Cleansing index scores for Jan 2015;
- Aspley 87% ,Bilborough 88% ,Leen Valley 88%
- Hedge cutting contract
- Communities Taking Control Programme
- Flexibility of the workforce
- Partnership working

What are the challenges?

- Unfortunately..... still bins wrongly presented, dog fouling, fly tips etc, etc.
- Ongoing education required to change behaviours.
- Productivity ; "more with less"
- Income generation

What is planned/priorities for 2015?

- Bin sensors pilot for Aspley.
- Productivity ; new ways of working.
- Moving the Apprentices into full time vacancies.
- Income generation.
