

# **CLOSED CIRCUIT TELEVISION EVALUATION**

## **ASPLEY**

**1<sup>st</sup> April 2012  
To  
31<sup>st</sup> March 2015**

### **Description of the scheme**

There are 19 fully functional cameras installed at strategically positioned locations in the Aspley area.

There are also 4 columns used for the City Wide re-deployable cameras in the area and 1 re-deployable camera was used during the period of evaluation.

The system is operated and monitored 24 hours a day 365 days a year by trained and dedicated staff at the Nottingham City Council CCTV Control Centre.

During this period the CCTV Control Room carried out 198 Viewings and released 89 items of media to the Police.

Over this period we have linked in with our partner agencies on ASB operations such as OP CACOGEN
