Reason for requesting the decision be called in

The request for call-in must be based on one or more of the following reasons below.
[Tick the appropriate box or boxes and provide details for the reason, appending additional sheets if necessary]

Reason for requesting call-in: a) The decision is outside the budget/ policy framework	<input checked="" type="checkbox"/>
--	-------------------------------------

No where in the report to the Executive Board is it made clear that 57% of those consulted in Sept/Oct 2015 were against further expansion. Nor was it made clear at that time this was the start of a further six classrooms on the Ferwoodside.

Reason for requesting call-in: b) Inadequate consultation relating to the decision	<input checked="" type="checkbox"/>
--	-------------------------------------

The majority of those being consulted are under the impression that consultation on the expansion of the school is ongoing until the end of this year. Previous consultation from Sept to October 2015 indicated 57% were against

Reason for requesting call-in: c) Relevant information not considered	<input checked="" type="checkbox"/>
---	-------------------------------------

The report to the Executive Board does not address the already difficult situation from the current school attendance level on the surrounding roads of residential area. There is a considerable lack of parking provision for the existing level of activity & attendance at the school.

Reason for requesting call-in: d) Viable alternatives not considered	<input checked="" type="checkbox"/>
--	-------------------------------------

Neither this report/minute, nor the Delegated Decision, refers to viable alternatives being investigated such as a new school in Wolstanton
