Call-in reasons-Expansion of Middleton Primary school, Wollaton

1. The call-in request is in time, in writing, signed by the requisite number of councillors and identifies reasons for the call-in, as required under the call-in procedure.
2. The call-in is also valid in that the decision is not one exempted from call-in under the call-in procedure rules and is a relevant decision for call-in under those rules.
3. In terms of the reasons for call-in, I am satisfied that the request is valid in respect of reason d) ie viable alternatives not considered
4. In terms of reasons b) 'Inadequate consultation relating to the decision' and c) 'Relevant information not considered', these are considered invalid reasons for call-in. In relation to both reasons, the points identified are considered premature. In relation to b) the report indicates that 'a full and thorough consultation process will be undertaken with all stakeholders if this option were to be progressed as a proposal.' Again, in relation to c) as the decision relates to feasibility, it is considered that the points identified at c) will be considered as part of the later consideration of feasibility in due course.
