

# *Children's Partnership Board*

*2015/2016 End of Year action plan  
review*

*13<sup>th</sup> July 2016*

## Achievements:

- 1.The percentage of Common Assessment Frameworks where parents and children report an improvement in their circumstance has risen from 65.9% to 67.1%
2. The number of children who became subject to a Child Sexual Exploitation meeting rose from 28 to 62, the number of children who no longer needed to be subject to a CSE meeting rose from 26 to 55.

- 3.. 25 schools have signed up to the Sex and Relationships Education Charter.
4. The Safe Families for Children pilot is making excellent progress. This has supported 93 children so far and provided alternative care for 25 children who might otherwise have been taken into care.

## Areas for future progress:

1. Child Protection Plans continue to increase.
2. The number of offences where children and young people are victims has risen from 1527 to 1694
3. The number of Accident & Emergency attendances for children age 0 – 4 years has risen slightly from 110 to 114

## Supportive actions:

1. The appointment of a CSE co-ordinator has both increased identification of cases and also reduced the number still needing help as their circumstances had improved.
2. Paediatric emergency pathways specialist led training now in place
3. Lifeline A & E pathway is in place and a detailed workforce plan is being implemented for 2016/17.
4. The Home Safety pilot has been extended until 31/3/17.

## 2.Promoting the health and wellbeing of babies, children and young people.

### Achievements:

1. 48% of infants are being breast fed at 6 to 8 weeks.
2. Obesity in Year 6 children has dropped from 23.4% to 22.5%
3. Tooth decay in children aged 5 has improved from 38.5% to 33.4%.
4. Teenage Pregnancy continues to meet annual incremental targets and has reduced from 37.5% to 32.7% conceptions per 1000 girls aged 15 - 17.

5. The rate of first time entrants to the Youth Justice System has dropped from 245 to 210
6. 6.2% (506) of 16 – 18 year olds are NEET (6.4% March 2015)
7. 17% of children in care are not in education, employment or training (22.6% March 2015)
8. 2.6 % of children in care destination is not known (4% March 2015)

## Areas for future progress:

1. Smoking at the time of delivery is 18.8% compared to the England average of 10.5% and a target of 17.0%
2. Hospital admissions for self harm for those age 10 – 24 were at 338.37 (2012/13), rose to 533.7 (2013/14) and now stand at 435.8 (2015/15)
3. There has been a 1% drop in immunisations for Dtap/IPV/hib
4. The rate of hospital admissions for mental health conditions has had a very slight rise from 61 to 63.

## Supportive actions:

1. The Sheriff's Award, Opportunity Notts and specific activities such as the Daily Mile and School Swimming challenge are supporting children and young people to be more active.
2. The SSBC Family Mentor model is operational in Aspley & Bulwell with a 90% acceptance rate for the home visiting element.
3. Self Harm Awareness and Resource Project (SHARP) and Healthy Schools work.
4. Family focussed healthy weight programme

#### Achievements:

1. There has been a 12.5% increase in two year olds accessing free nursery provision
2. 79% of children are in schools judged good or better which is a rise of 19% from last year
3. Absence has reduced in Primary Schools from 4.7% to 4.1% and in Secondary Schools from 6.7% to 5.3%

4. KS2 Nottingham pupils have maintained or improved in Reading. Writing and Maths and match the England average.
5. Gap between SEN and non SEN pupils has reduced from 46% to 40% in KS2 RWM and from 39.1% to 34% in GCSE

## Areas for future progress:

1. The percentage of pupils achieving 5 or more A\* - C GCSEs including English and Maths stands at 42.4% against the English average of 53.8%
2. Ensuring Children in care are supported to access best quality education and learning is both a commitment and a challenge
3. On average 29% of high performing pupils continue to choose to transfer out of the city for secondary provision

## Supporting activity:

1. Dolly Parton Imagination Library
2. Educational Improvement Board Strategic Plan 2015 - 2025
3. Teaching Schools Alliances

## 4. Empowering families to be strong and achieve economic wellbeing.

### Achievements:

1. Numbers of Priority Families worked with across the Partnership this year is 898 against a target of 852
2. The number of children in workless poor families has reduced from 34.6% to 30.4%

## Areas for future progress:

1. There is the continuing challenge of achieving the Priority Family targets overall and in particular evidencing where we are making a difference.
1. The number of domestic violence incidents where children or young people are in the family needs on-going scrutiny.

## Supportive actions:

1. The Domestic and Sexual Violence and Abuse Strategy (DSVA) re-launch has co-ordinated specialist and statutory sector actions.
2. The Domestic Abuse Referral Team (DART) is part of the Front Door Into Children's Services' review.
3. DWP is committed to work with ' Troubled Families' to support parents into education, employment and training until March 2020

cont.,,,Empowering families to be strong and achieve economic wellbeing.

4.. The Safe from Harm review

5.. Stronger Families therapeutic programme for child survivors of domestic abuse

6... Projects supporting children where there is domestic abuse in the family:

- Stride
- The GREAT project
- Equate
