<b>Summary of issues (including benefits to citizens/service users):</b>

<b>Recommendation(s):</b>			
<b>1</b>	To note and comment on the priorities, current issues and supporting information for Bridge, Clifton North, & Clifton South wards.		

### **1 REASONS FOR RECOMMENDATIONS**

- 1.1 Each Ward manages a set of priorities and key issues through regular meetings of its Neighbourhood Action Team (NAT). These meetings are led by Neighbourhood Development Officers (NDOs) and supported by core partners including Nottingham City Homes (NCH), Neighbourhood Policing, Community Protection, Children and Early Help, City Services / Waste Management; Fire and Rescue Services and Health.
- 1.2 Ward Councillors are also invited to participate in these meetings
- 1.3 Ward priorities are identified and informed from a range of sources including citizens, Councillors, partners and officers, and current issues will be updated for each area committee.

- 1.4 The list of events and activities will take account of the work which all NDOs undertake with partner organisations within their Ward, and shows the depth of activity in place working alongside neighbourhood management to improve social cohesion and tackle priorities at a ward and area level.

## **2 BACKGROUND (INCLUDING OUTCOMES OF CONSULTATION)**

- 2.1 Bridge, Clifton North, & Clifton South Wards sit within the Area 8 Committee which adopted four area based priorities at its first Area Cluster meeting – Parking, Parks & Open Spaces, Regeneration & Environmental and Drugs.
- 2.2 These priorities demonstrate a link to the City Council's current ambitions contained in the latest City Council Plan 2015 - 19. Actions for each priority will be developed and led by appropriate service teams and partnerships. The area priorities were reported to the last Area 8 Committee on 14 September 2016 and will be updated at each Area Committee
- 2.3 The area priorities listed in 2.1 sit within wider pieces of work and broader agendas which are being addressed by multi agency approaches across the City. At a Ward level it is important to identify how some of these more complex priorities can be worked on at local levels – either ward or area by introducing local solutions. This could, for example, include more targeted use of funding such as Area Capital Fund to support ASB and crime prevention initiatives across the wards, such as the purchase and deployment of 3G Wireless CCTV, traffic & safety schemes, increased operations and execution of warrants on drugs, resident parking schemes and new outdoor play facilities.
- 2.4 The current Ward priorities which have been reported previously through the Area Committee performance reports are shown in Appendix 1 for all three wards. These priorities will be updated for each Area Committee, taking into account discussions at NAT meetings and various groups and activities involving local residents. The Ward priorities form the basis for the 'Ward Action Plan' for all three Wards.
- 2.5 Appendix 2 sets out the current key issues for all three Wards.
- 2.6 Appendix 3 highlights the forthcoming opportunities for citizens to engage in events and activities in their neighbourhoods across all three Wards.
- 2.7 Appendix 4 highlights the Area Committee priorities and progress delivered against each priority since the last Area Committee meeting held in September 2016.
- 2.8 Appendix 5 provides the performance data for August 2016 for all three wards compiled by CDP.
