<b>Summary of issues (including benefits to citizens/service users):</b> This report focusses on current priorities and issues facing Area 4 wards Arboretum, Dunkirk and Lenton and Radford & Park. It also provides details of forthcoming events and activities. The report replaces the previous Performance report which used operational data supplied by the Crime and Drugs Partnership.		
<b>Recommendation(s):</b>		
<b>1</b>	To note the priorities, current issues and supporting information for the wards, and welcome comments.	

## **1 REASONS FOR RECOMMENDATIONS**

- 1.1 Each Ward manages a set of priorities and key issues through regular meetings of its Neighbourhood Action Team (NAT). These meetings are led by Neighbourhood Development Officers (NDOs) and supported by core partners including Nottingham

City Homes (NCH), Neighbourhood Policing, Community Protection, Children and Early Help, City Services / Waste Management; Fire and Rescue Services and Health.

- 1.2 Ward Councillors are also invited to participate in these meetings.
- 1.3 Ward priorities are identified and informed from a range of sources including Citizens, Councillors, Partners and Officers. Ward priorities and current issues will be updated for each area committee.
- 1.4 The list of events and activities will take account of the work which all NDOs undertake with partner organisations within their Ward and shows the depth of activity in place working alongside neighbourhood management to improve social cohesion and tackle priorities at a ward and area level.

## **2 BACKGROUND (INCLUDING OUTCOMES OF CONSULTATION)**

- 2.1 The Wards sit within the Area 4 Committee which have adopted three area based priorities at its first Area Cluster meeting
  - Jobs and training
  - Environmental issues - cleansing, fly tipping, noise and open spaces
  - Regeneration and balanced communities - empty sites, balance of housing (students and family) and houses in multiple occupation
- 2.2 These priorities demonstrate a link to the City Council's current ambitions contained in the latest City Council Plan 2015 - 19. Actions for each priority will be developed and led by appropriate service teams and partnerships. The Area priorities were reported to the last Area 4 Committee on 17<sup>th</sup> February 2016 and will be updated annually.
- 2.3 The area priorities listed in 2.1 sit within wider pieces of work and broader agendas which are being addressed by multi agency approaches across the City. At a Ward level it is important to identify how some of these more complex priorities can be worked on at local levels – either ward or area by introducing local solutions. This could, for example, include more targeted use of funding such as Ward Councillor budgets to support healthy eating initiatives or the use of Area Capital to develop an outdoor gym facility.
- 2.4 The current Ward priorities which have been reported previously through the area committee performance reports are shown in Appendix 1. These priorities will be updated for each area committee, taking into account discussions at NAT meetings and various groups and activities involving local residents.
- 2.5 Appendix 2 sets out the current key issues.
- 2.6 Appendix 3 highlights the forthcoming opportunities for citizens to engage
