

## Area Clusters Feedback – Early Help (February/ March 2017)

	Question 1	Question 2	Question 3	Question 4	Question 5
	Do Councillors know what Early Help is happening in their areas i.e. What is the offer from the Children's Centres and Youth and Play in the area?	Do they know how to refer to CAMHs ?	How can Councillors add value and share the success stories?	How effective is the service and how is this measured?	Are there specific challenges in some areas?
<b>Area 8 Bridge Clifton North Clifton South</b>	<ul style="list-style-type: none"> <li>• Cllrs had limited information on what was on offer</li> <li>• Cllrs did not have any casework that would warrant such information, however, it was felt that having service offer information would be helpful when engaging with residents and direction towards children and young people activities</li> </ul>	<ul style="list-style-type: none"> <li>• Cllrs were unaware of the referral process</li> <li>• Information was shared about this, as well as the school Time 4 Me sessions and the SHARP clinics.</li> <li>• Information was shared about the BEH team and support for neurodevelopmental disorders.</li> <li>• More qualitative feedback from YP was requested, both positive and negative.</li> </ul>	<ul style="list-style-type: none"> <li>• Need to know what's on offer</li> <li>• Cllrs are advocates for their ward – Having measurable outcomes will make it easier to assess child developmental progress and need for support</li> <li>• Utilise newsletters</li> </ul>		<ul style="list-style-type: none"> <li>• Difficult to reach some families – Harder to reach groups</li> <li>• Provisions for young people detached from services</li> <li>• Fear and myths attached to Children's Centres and Social Services</li> <li>• Need for measurable outcomes for child's developmental need / progress</li> </ul>
