

<b>HEALTH SCRUTINY COMMITTEE</b>
<b>20 JUNE 2017</b>
<b>WORK PROGRAMME 2017/18</b>
<b>REPORT OF CORPORATE DIRECTOR OF STRATEGY AND RESOURCES</b>

**1. Purpose**

- 1.1 To consider the Committee's work programme for 2017/18 based on areas of work identified by the Committee at previous meetings and any further suggestions raised at this meeting.

**2. Action required**

- 2.1 The Committee is asked to note the work that is currently planned for the municipal year 2017/18 and make amendments to this programme as appropriate.

**3. Background information**

- 3.1 The Health Scrutiny Committee is responsible for carrying out the overview and scrutiny role and responsibilities for health and social care matters and for exercising the Council's statutory role in scrutinising health services for the City.
- 3.2 The Committee is responsible for setting and managing its own work programme to fulfil this role.
- 3.3 In setting a programme for scrutiny activity, the Committee should aim for an outcome-focused work programme that has clear priorities and a clear link to its roles and responsibilities. The work programme needs to be flexible so that issues which arise as the year progresses can be considered appropriately. This is likely to include consultations from health service commissioners and providers about substantial variations and developments in health services that the Committee has statutory responsibilities in relation to.
- 3.4 Where there are a number of potential items that could be scrutinised in a given year, consideration of what represents the highest priority or area of risk will assist with work programme planning. Changes and/or additions to the work programme will need to take account of the resources available to the Committee.
- 3.5 In previous years Nottingham City and Nottinghamshire County Councils had established a Joint Health Scrutiny Committee to scrutinise the commissioning and delivery of local health services accessed by both City and County residents. However a joint committee will not exist during 2017/18 and therefore all health scrutiny activity relevant to Nottingham City residents will need to be undertaken by this Committee. The intended work programme for 2017/18 has been amended to reflect this change.
- 3.6 The work programme for the municipal year 2017/18 is attached at Appendix 1.
