<b>Brief summary:</b>	<p>This report sets out the commissioning priorities for Nottingham City Council and the joint commissioning priorities for Nottingham City Council (NCC) and Nottingham City Clinical Commissioning Group (CCG) for 2017-2018 which will form the basis of the work programme for both organisations and will inform prioritisation of resources. The commissioning priorities will provide an important catalyst for:</p> <ul style="list-style-type: none"><li>• Improving outcomes and choice for children, adults and families in key areas</li><li>• Improving service provision</li><li>• Increasing the focus on prevention and early intervention</li><li>• Reducing costs where practicable</li></ul>

### **Recommendation to the Health and Wellbeing Board:**

The Health and Wellbeing Board is asked to:

- a) note the main areas of activity identified within the Nottingham City Council Commissioning Priorities Plan (Appendix 1) and the Nottingham City Council and NHS Nottingham City Clinical Commissioning Group Joint Commissioning Plan (Appendix 2)

### **Contribution to Joint Health and Wellbeing Strategy:**

<b>Health and Wellbeing Strategy aims and outcomes</b>	<b>Summary of contribution to the Strategy</b>
Aim: To increase healthy life expectancy in Nottingham and make us one of the healthiest big cities	The Commissioning Reviews make a significant contribution to the aims and outcomes of the Health and Wellbeing Strategy. The plans identify which outcome each review contributes to.
Aim: To reduce inequalities in health by targeting the neighbourhoods with the lowest levels of healthy life expectancy	
Outcome 1: Children and adults in Nottingham adopt and maintain healthy lifestyles	
Outcome 2: Children and adults in Nottingham will have positive mental	

wellbeing and those with long-term mental health problems will have good physical health	
Outcome 3: There will be a healthy culture in Nottingham in which citizens are supported and empowered to live healthy lives and manage ill health well	
Outcome 4: Nottingham's environment will be sustainable – supporting and enabling its citizens to have good health and wellbeing	

<b>How mental health and wellbeing is being championed in line with the Board's aspiration to give equal value to mental and physical health</b>
Phase 2 of the Mental Health Review forms part of this year's plan, as there is an agreement for the need to review full costs of all the different areas of the Mental Health Pathway and understand the impact of community care. Improving the mental health of children and families is also incorporated into other Reviews e.g. implementing the Future in Mind Strategy and the Homelessness Review.
