## 1. REASONS FOR RECOMMENDATIONS (INCLUDING OUTCOMES OF CONSULTATION)

- 1.1 The Nottingham City Homes Update provides a descriptive and statistical picture of what is happening at an area level and invite community representatives to comment, debate, and challenge and identify how they can add value to improve their neighbourhoods.
- 1.2 The update also monitors progress in the wards and acts as a catalyst for debate about the key performance issues impacting upon the ward on a quarterly basis.

### 2 BACKGROUND (INCLUDING OUTCOMES OF CONSULTATION)

- 2.1 Nottingham City Homes previously reported on performance at local Area Panels that sat below the respective Area Committees. These panels were attended by local residents, local Councillors and partner agencies.
- 2.2 Nottingham City Homes has a goal to 'create homes and places where people want to live' and to give tenants and leaseholders an input in shaping what happens in their area. The Nottingham City Homes Update and Performance Report is one of a number of initiatives that increases the transparency and accountability of the Company's performance.
- 2.3 Following the decision for Nottingham City Homes reps to attend Area Committee, it was decided to provide the Nottingham City Homes Update Report to Area Committee. Appendices 1 and 2 provide the latest performance position for the committee to note and comment on.
- 2.4 Appendix 3 outlines the remaining capital budget for this area for noting and provides detail of any schemes that require approval by the Committee.
