

Appendix 1 – Arboretum Ward – Priorities

Neighbourhood Nottingham

Priority	Lead	Progress since last area committee
<p>Deep Cleans to priority areas</p> <p>Attain a 4* rating by NCH tenant inspectors (The rating now includes opportunities for involvement, partnership working alongside the cleanliness of the estate) Manifesto pledge.</p>	<p>Street Scenes</p> <p>Neighbourhood Services,</p> <p>Nottingham City Homes</p>	<p>From May – July, the following Deep Cleans with backlines, including a jet wash where necessary, were completed on; 2x Kirkstead rec, 2x Bridlington rec, 1x Maple Street rec, 1x Coleville Park. Also 2x Portland Road and alleyways were cleared of fly tipping, 1x Newstead Grove, 2x Gregory Boulevard, Belper and Caulton Car Parks now on a two week rota.</p>
<p>Deliver Phase 3 of the of the NCH Fencing project.</p> <p>(Ward Pledge)</p>	<p>Nottingham City Homes</p>	<p>This work has started July 2017, Craven Road is completed to date.</p>
<p>Promote interest in community organisations and increase participation/delivery of events.</p> <p>(Manifesto Pledge)</p>	<p>Neighbourhood Management</p>	<p>May – July. The Bridlington Parents group have met 3 times during this period. They are now in the process of delivering a successful, outdoor gym session once a week on the Bridlington Park /MUGGAR for parents. They have 20 people signed up to date. They are in the process of planning a Street Play event in partnership with the play service to take place 23rd September.</p> <p>St Paul's and Pleasant Row tenants and residents association have met twice during this period.</p>
<p>Improve visual appearance of neighbourhoods (Target fly tipping, dog fouling and litter)</p> <p>(Manifesto Pledge)</p>	<p>Community Protection</p>	<p>During June there were 0 plain clothes dog operations, this was due to the reduced capacity of Community Protection. Dog fouling has increased by 71% in the ward with a total of 12 incidents YTD 2017/18. There was a slight reduction of fly tipping by 49% during this period also.</p>
<p>Reduce bins on street by increased enforcement.</p>	<p>Community Protection</p>	<p>It has been agreed at the NAT, at least 4 Streets each month will be identified for a concentrated effort by the CPO's, in order to reduce bins on street and City Services will also prioritise those streets. The streets targeted in May</p>

(Ward Pledge)		– June were Cromwell Street, Newdigate Street, Sophie Road, Maple Street, Belper Car park, Patterson Street and Hawsley Road. These Streets were all included in a Week of Action that was delivered in June working with most of the NAT partners. Gregory Boulevard and Addison Street were also targeted for action.
---------------	--	---

Safer Nottingham

Priority	Lead	Progress since last area committee
Reduce Burglary (Ward Pledges)	Police	The general trend for July year to date (YTD) shows that burglary dwelling has increased by 6.64% in the ward. There were actually 74 incidents noted. Burglary other also showed 8 incidents YTD 2017/18. (All stats are taken from the July 2017 CDP NAT Report).
Reduce Violent crime and raise awareness of Domestic (NAT)	Police NAT	The general trend for July shows that violence has increased during this period by 17.68%. There were 78 incidents YTD in 2016/17 compared to 142 incidents in 2017/18 which is an increase of 82%. The general trend for July shows an increase of reported domestic violence. There were 40 incidents YTD in 2016/17 in comparison, to 50 incidents YTD in 2017/18. This being a 25% increase.

Appendix 2 – Dunkirk and Lenton Ward - Priorities

Neighbourhood Nottingham

Priority	Lead	Progress since last area committee
<p>Sustain a balanced community</p> <p>(54 independent living flats (Palmer Court), 16 bungalows, 62 family homes, 10 flats, and 3 retail units built on the High-rise site. In addition 17 family houses are being built on Church Square site)</p> <p><i>Nottingham Regeneration Strategy</i></p>	Neighbourhood Management and Nottingham City homes	<p>Action Plan developed to address resident's issues regarding Lenton new build and surrounding area in July 2017, progress meeting on 3rd October.</p> <p>Landscape designs being consulted on until August, completion date end of September 2017.</p> <p>Church Square development ongoing, completion date May 2018.</p>
<p>Tackle noise nuisance</p> <ul style="list-style-type: none"> <i>Increase reporting</i> <i>More effective response to noise nuisance</i> <i>A local noise awareness campaign</i> 	Community Protection	The general trend from April 2017– July 2017 shows that noise has decreased in the ward. Noise incidents reported to the 101 number is showing a 25% decrease year to date (YTD) and other ASB Youth and alcohol has also decreased (YTD). (Stats are taken from the April/June Crime Drug Partnership NAT Report)
	Community Protection	<p>Community Protection Notice Warning 58 issued from April – June 2017</p> <p>Community Protection Notice 05 issued from April – June 2017.</p>
	Community Protection	Student Action Plan being monitored at the Community Trigger meeting, which took place 18 th July. Focus on producing clear guidance on reporting noise incidents, improve communication to both HMO licensing team and Landlords of any ASB issues associated with HMO properties and provide guidance on expected Landlord response, improved communication/ engagement with students.
	Community Protection	342 alcohol confiscations from the month of April to July on Derby Road from conducting targeted DPPO enforcement activity on Derby Road.
	Community Protection	£30,000 funding has been approved from University of Nottingham for dedicated resources to Community

		Protection to cover student ASB hotspot areas including Derby Rd.
	Community Protection	Local CPOs continue to foot patrol the Lenton area every Wednesday to focus on pre-enforcement, engagement, communicating behavioural expectations, safety, welfare, historical ASB concerns including noise awareness.
	Houses in Multiple Occupation (HMO) Team	The HMO team has produced 'Good practice for private-sector landlords' relating to Anti-social behaviour in July 2017.
Tackle bins (contamination & on pavements) and gardens (messy & bulky waste)	The University of Nottingham Student Union	In total 5863, end of term Summer waste management messages sent to students based on their postcodes on how to manage waste effectively, which resulted in less waste in the neighbourhood.
	Neighbourhood Management	A waste audit was carried out on Lenton Drives and Lenton Blvd on 21 st June to help remind all residents living in the area to put their green bin out, properly bag up any side waste and tidy up their front gardens before the Summer break which has made a difference to the rubbish left on streets and front gardens. 795 properties visited (All the Drives and Lenton Blvd). 144 issues followed up by local CPOs from the waste audit.
	Community Protection	Enviro audit of Streets pre and post end of term, identifying problem properties and liaising with Agencies/Landlords to ensure messy gardens/concerns are remedied using full enforcement powers.
	Neighbourhood Action Team	Student Waste and Clear Out Programme 2017 commenced in July with a seven day clear all policy backed up with regular cleansing and enforcement actions by Streetscene and Community Protection.
	Streetscene	Deep cleans have taken place on 22 nd June, 10am to 1pm in partnership with NUASt on Warwick, Cloister, Abbey St and Dunkirk Rd. Willoughby St and Lenton Drives were

		deep cleaned in July 2017.
	Streetscene	The Cleanliness score for the ward is 87 compared to the City score of 86.
	The University of Nottingham	10 student ambassadors and Partners went out on 12 th June to promote the British Heart Foundation campaign to the Drives. Streetscene gave donation bags to students for collection. In addition, general messages about remembering to take bins out etc. were given to face-to-face contact with students.
Continue to support Community Cohesion through events and engagement <i>Councillor ward pledge</i>	Neighbourhood Management	<ul style="list-style-type: none"> - Approximately 250 residents including students attended the Get together event at Lenton Recreation Ground on 11th June. It was a successful event with a number of different organisations participating as well as a diverse community engaged. - Street Playout on 22nd July at Warwick St, Dunkirk, 29 local families attended from different nationalities, culture and generations. - Family BBQ on 12th August, at Thomas Helwys Baptist Church.
	The University of Nottingham	Hello campaign has been running at the end of this academic year for first year students highlighting the importance of moving from the Halls into the Community and how this can impact on the lifestyles of others.
Explore solutions to parking problems across the ward, especially around schools	Neighbourhood Management	Traffic Regulation Order (TOR) approved for Lenton Blvd, proposals were advertised in April and an objection report prepared for the Portfolio Holder in July. In addition, TOR approved for Willoughby St, Prospect Place, Church St, Park St and Lace St, consultation to start in September 2017.

Safer Nottingham

Priority	Lead	Progress since last area committee
Reduce burglaries <ul style="list-style-type: none"> Regular Police operations High visible patrols Crime prevention activities Take actions against Rogue landlords Deliver campaigns to raise awareness of students on securing doors and windows Increase local citizens confidence to report crime 	Police	The general trend from April to July 2017 shows that burglary dwelling has stayed the same in the ward compared to the same period last year. Burglary dwelling residential was 5 incidents in April, May 7 incidents, June 4 incidents and July 8 incidents. (Stats are taken from the April/July Crime Drug Partnership NAT Report)
	Police, Community Protection	Police and Community Protection continue to patrol hot spot areas, using intelligence from the Community and NAT members.
Improved safer walking and cycling provision in the ward <ul style="list-style-type: none"> Create links between new green spaces to make cycling and walking a safer and pleasant experience Increase enforcement action in hotspot areas to stop cycling on pavement 	Neighbourhood Management	NCC Contractors and Hosta Consulting preparing costs for works to be submitted in September 2017 to improve the security and appearance of the footpath (Leen walk) leading from Grove Road railway Bridge to Gregory St.
	Neighbourhood Management	In July three Artists have put in proposals to improve the visual appearance of Grove Road and Sherwin Road railway bridge, which are very popular cycling and walking routes in the ward in partnership with Nottingham Student Union. Shortlisting taking place in September 2017.
	Traffic Safety, Cycling Strategy	Improved cycling signs are going up in the ward specifically around Dunkirk Subway and Beeston Road in September 2017.
