1								
	City's parks and open spaces.							

1 REASONS FOR RECOMMENDATIONS

1.1 Investment plans for all of the City's parks and open spaces were produced in 2011 and updated in 2015 to outline the investment required into the City to bring sites up to a good quality standard. These plans have now been updated for 2018.

2 BACKGROUND (INCLUDING OUTCOMES OF CONSULTATION)

2.1 The investment plans include all types of open space, ranging from formal parks and gardens to nature reserves, allotments and Neighbourhood Tree Improvements.

- 2.2 A wide range of propose improvements are listed in each plan to ensure that all types of space are improved.
- 2.3 Consultation with local Councillors on the draft plans took place throughout November and December 2017 to ensure that the plans are reflective of local needs.
- 2.4 Once signed off, the investment plans will be used to determine where future Section 106 funding from housing developments is allocated and help the parks development team prioritise resources to secure external grant funding. The plans will help to demonstrate that the City has an ongoing need for investment into the City's parks and open spaces, both for existing users and to accommodate new residents in the future.

3 OTHER OPTIONS CONSIDERED IN MAKING RECOMMENDATIONS

3.1 If the investment plans are not approved and used to determine the use of future Section 106 funding, there is a risk that developers will challenge the City's need for such funding and possible external grants funds may be missed as a result.

4 FINANCE COLLEAGUE COMMENTS (INCLUDING IMPLICATIONS AND VALUE FOR MONEY/VAT)

- 4.1 n/a
- 5 <u>LEGAL AND PROCUREMENT COLLEAGUE COMMENTS (INCLUDING RISK MANAGEMENT ISSUES, AND LEGAL, CRIME AND DISORDER ACT AND PROCUREMENT IMPLICATIONS)</u>
- 5.1 n/a
- 6 STRATEGIC ASSETS & PROPERTY COLLEAGUE COMMENTS (FOR DECISION RELATING TO ALL PROPERTY ASSETS AND ASSOCIATED INFRASTRUCTURE) (AREA COMMITTEE REPORTS ONLY)
- 6.1 The recommendations raise no significant land or property issues. All the sites are within the ownership and control of Nottingham City Council, and it is not proposed that any letting or disposal will take place on them that would impact on the need to carry out the improvement works.
- 6.2 Nevertheless full consideration should be given to each site and each set of improvement works before commencing to ensure that they are aligned with the latest version of the Service Asset Management Plan.
- 6.3 Should any unforeseen property matters arise out of the recommended works, the Property section will work with the Parks team to investigate and resolve them on a case-by-case basis as required.
