DEVELOPMENT OF NEW VISION FOR EAST MIDLANDS AMBULANCE SERVICE NHS TRUST
REPORT OF HEAD OF LEGAL AND GOVERNANCE

1 Purpose

- 1.1 To be consulted by East Midlands Ambulance Service NHS Trust on the development of a new vision for the Trust.

2 Action required

- 2.1 The Committee is asked to:
- a) decide whether to submit a response to consultation by East Midlands Ambulance Service NHS Trust on the development of its new vision; and
 - b) if so, delegate authority to the Chair of the Health Scrutiny Committee to approve the content of that consultation response.

3 Background information

- 3.1 East Midlands Ambulance Service NHS Trust (EMAS) has advised that it is developing a new vision which will set the direction of the Trust for the next few years. The Trust would like to consult the Committee on the development of this vision and has provided a brief paper, which is attached, setting out its process for developing a new vision and 3 questions that it would like to ask the Committee.
- 3.2 At the meeting, EMAS will be giving a presentation on its latest thinking. Based on this and the evidence that it already has in relation to EMAS, the Committee is asked to decide if it would like to submit a response to these questions and if so, discuss the content of that response. The consultation response will be drafted following the meeting and it is proposed that the Committee delegate authority to the Chair of the Committee, in consultation with Committee members, to approve the content of the consultation response for submission to EMAS.
