Recommendation(s):			
1	To note year three delivery plan and update on progress and performance data for 2017/18, for the Area Based Grant by the appointed Area based Lead Organisation – NG7 Training, Employment and Advice (NG7 TEA).		

1 REASONS FOR RECOMMENDATIONS

- 1.1 NG7 Training, Employment and Advice (NG7 TEA) was appointed by Nottingham City Council as the Area Based Lead Organisation in April 2016 to coordinate the Area Based Grant for Area 5 following the successful delivery of the first round of the Grant.

2 BACKGROUND (INCLUDING OUTCOMES OF CONSULTATION)

2.1 There has been change in grant funding for year three. The total allocation of the Area Based Grant for 2018/19 for Area 5 is £168,608 including management fee.

2.2 2018/19 Delivery Plan:

Priority ONE: Employment and Skills Support:			Total Funding: £46,342
Activity	Providers	Targets	Location
Access to employment support	NG7TEA	1. 60 older job seekers (29+) will be supported into work or self-employment 2. 450 people will be engaged in employment support activities 3. 100 people will be receive language and/or skills support 4. 30 volunteering/ work placement opportunities	NG7TEA a Various and variety of local venues in Area 5
Support for language and skills training	City College		
Notes:	YEI and Step into Work came to an end within the first quarter of 2018/19, the impact was felt quite early in the year with staff seeking Alternative employment ahead of any possible redundancy notice. NG7 is working closely with City College to mitigate against any adverse consequences to supporting people in securing employment. However a review of current provision of job clubs and their viability and effectiveness has been undertaken to ensure provision is targeted to meet the needs of the local population.		
Priority TWO: Young People			Total Funding: £63,104

Notes:	<ul style="list-style-type: none"> Asian Women's Project due to capacity issues were not able to fully meet the contractual requirements and performance targets and as such it has been mutually agreed that they will not be a delivery partner in 2017/18. The shortfall in activity, particularly targeted work with certain groups undertaken by AWP has been and will continue to be supported as follows: <ul style="list-style-type: none"> Carrington Cricket club will be directly supported. KK Sports will deliver targeted activity in the Berridge Ward specifically at Forest Fields Community centre with a focus on Asian women, provision of holiday clubs and universal provision. <p>Targets to be reviewed with new/existing delivery partners as part of agreeing new service specifications for year three.</p>		
Priority THREE: Support for community infrastructure			Total Funding: £20,474

development or support interventions in local priorities			
Notes:	<ul style="list-style-type: none"> • Targets to be reviewed with delivery partners as part of agreeing new service specifications. • The small grants fund will address the local priority of raising awareness and support for grass root groups or individuals supporting those identified under Income Deprivation Affecting Older People. This will include but not limited to Fuel poverty, Food poverty, and availability of free/subsidised hot meals as well as reducing isolation and loneliness. General support around poverty issues will be critical in the coming transition to Universal Credit for benefit claimants. 		

2.3 Regular on-going communications between NG7 TEA each delivery partner. Extension of agreements specifying the service delivery, targets and expected outcomes to be delivered as well as monitoring requirements have been agreed.

2.4 NG7 TEA in agreement with key stakeholders and the delivery partners has agreed themed based consortium meetings aligned to current wider partnership meetings for that theme, where appropriate, to avoid duplication and meeting overload. This model was agreed in year one. This model ensures delivery partners are embedded within and connected to the wider networks for their priority/theme, facilitating better communication of relevant information, increasing understanding and knowledge of provision and gaps and enabling the sharing of good practice.

2.5 Update

This report provides an update on progress and sets out the delivery plan for year three of the ABG Programme

2.5.1 Employment, Skills and Training:

Being economically active is a pathway out of poverty and deprivation. As such the provision of practical support to encourage and assist individuals to access the labour market is an essential need to address in the area. Employment, skills and training continues to remain a priority need for the area. This is one of three priorities of Area 5 Committee as well as being the main priority of the vast number of residents, especially migrants who have moved into the area. Whilst there has been an improvement in the numbers in employment, the transient nature of the area means there are always new settlers from East European countries which means there is on-going high demand for employment support services. NG7 TEA in partnership with City College Nottingham deliver the employment and skills priority theme through a number of interventions across a range of sites in Area 5 to ensure ease of access and improve uptake of support. The service is provided in a client centred non-threatening, user friendly way. Clients have access to a comprehensive drop in employment support including support with job searches, CV writing, completing on-line applications, preparing for interview, presentation skills, advice on financial support and sign posting to other services as appropriate. The support is delivered using a hub and spoke model from NG7 TEA, a geographically well placed location on a busy high street with high visibility offering drop-in facilities and support 9-5pm, 5 days a week. Further outreach support is delivered through 6 community venues in different geographical locations across Area 5. The staff are culturally sensitive, most are bi-lingual and in addition, volunteer interpreters provide weekly support in 3

languages (Hungarian, Romanian and Bulgarian) for the increasing numbers of Eastern European migrants.

2.5.2 Young People:

A comprehensive range of activities are delivered by a group of providers named in section 2.2 across different sites and venues within Area 5, ranging from universal, targeted/divisionary and holiday provision to address the scale and complexity of needs of a diverse group of young people in the Area. A consortium of partners named in section 2.2 are represented by NG7 TEA at the Young Peoples Panel meetings, fully engaging with discussions and developments. NG7 and its partners are actively engaged with the Central Youth Providers Forum, Early Help Team and a range of other agencies to ensure everyone has the most current information and are fully updated on issues and opportunities. Providers are also engaged with a range of agencies including NDO's YOT, Police, Community Cohesion/Community Protection Teams and the early Help Team in developing and delivering their provision.

2.5.3 Infrastructure support:

A network of accessible and culturally appropriate community centres is a crucial element in ensuring a vibrant and cohesive community. NG7 TEA is working with the Neighborhood management team and key stakeholders to ensure that the centres are fully utilised by the local community and service delivery where possible takes place in these centres. Substantial improvements have been made at a number of centres with discussions taking place for improvement plans for other centres where required. A key challenge for NG7 TEA and the City Council is to ensure that these community assets are fully utilised which would also ensure sustainability of these community places in the long term. Some of the centres are being run by a Community Association and NG7 TEA has been working with colleagues from Nottingham City Council and NCVS to ensure they are fit for purpose and proactively addressing long term sustainability by becoming Charitable Incorporated Organisations.

In Berridge the arrival of large numbers of migrants from Eastern European countries has made the area a focal point for the Polish, Hungarian and Romanian communities. The newly formed organisations representing these communities are all seeking to establish a base from where they can deliver services and hold meetings and events. More recently the area has seen a growth in the Middle Eastern community as well as migration of people from Indian subcontinent from Europe ahead of Brexit. As such we expect to see a change in needs and demands for service provision and this is likely to impact on future arrangements and provision in the area. NG7 TEA in partnership with Nottingham City Council colleagues have agreed to utilise the funding allocation to Forest Fields Community Centre for these and other groups to apply for funds to NG7 TEA to cover room hire costs.

Edwards Lane Community Centre and New Basford Community Centre are also being supported by NG7 TEA, and Colleagues from Nottingham City Council and NCVS to establish effective management and governance committees and move towards becoming Community Associations and Charitable Incorporated Organisations.

All four community centres across Area 5 are being utilised by a range of user groups delivering a variety of activities. The centres are open daily including some evenings and weekends depending on programme of activities and user group's needs.

2.5.4 Support for local voluntary community sector:

The local voluntary community sector provides valuable support to local communities and is an essential part of the local infrastructure. Area 5 has seen a growth of small groups due to the emergence of new groups that have been established to meet the needs of the new and emerging communities that have settled in the area. These new groups are in their infancy and therefore need support to ensure that they have the right structures and governance arrangements in place to function effectively. NG7 TEA is working with Nottingham Equal and NCVS who are both infrastructure support organisation to provide advice and support to smaller local VCS organisations, delivering basic management and funding advice and support to grass root groups. The programme of support available to groups is from initial client contact, through diagnostic/action planning, setting up, formation, organisational development, and growth. Subsidised/free access to NCVS's comprehensive training programme will also be available to beneficiary groups.

Nottingham Equal has also been commissioned to work with the new and emerging groups serving the needs of the migrant communities.

A small grants budget has been established allowing small groups to bid for funds to support their development or support interventions in local priorities. However due to the closure of the Partnership Council (PC) in December 2016, NG7 TEA explored alternative plans to manage administration and delivery of this piece of work. The aim of the small grants budget is to support small VCS groups in delivering activities which specifically meet local needs and priorities. A key focus of the small grants budget is about raising awareness and support for grass root groups or individuals supporting those identified under Income Deprivation Affecting Older People. This includes but is not limited to Fuel poverty, Food poverty, availability of free/subsidised hot meals and general support around poverty issues as well as reducing isolation and loneliness in older people.
