Reduce accidental fires, especially within the elderly community. by working with older people	<ul style="list-style-type: none"> • There were 4 accidental fires in Bilborough in January 2019, (and none in February), compared to 13 for the whole of 2018. Fire & Rescue Prevention Service is working to address this. • NFRS are waiting delivery of a tool for prevention of house fires. This is a Bingo game aimed at elderly persons. This will be used in Bilborough. • NFRS have identified concerns that home owners and those who rent privately may have inadequate smoke alarm provision. We will be looking to expand this approach in key areas over the next few months including Bilborough. • The Government has also identified smoke alarm ownership as requiring further promotion and will be launching a series of radio, TV and social media ads from March 11th. This will be used to promote smoke alarm ownership and fire safety in the home within our own areas. • Fire Service have been promoting 'Charlie' through posters and 	Community Protection/Fire Service/NCH Housing/NMT/Councillors
