Meadows waiting list

- 31 children on the waiting list in total
- 9 have been offered a different Meadows school to their first choice
- 9 have accepted a place at a school outside of the Meadows
- 13 have refused any school place and are currently not in a post nursery school place

Future plans for Clifton

- Projected upward trend in Clifton
- Previously been KS1 capacity but now there are place pressures
- A school place review of the area has been pending the outcome of the Clifton Pastures housing discussion
- Now there is a requirement to do an adhoc review of the area to maintain the current capacity and potentially increase capacity where necessary

Future plans for the Meadows

- Meadows area faces significant primary place pressures
- Consultation commenced on plans to expand Riverside Primary School from a 210 place primary to a 420 place primary commenced on 5 November
- Consultation on this proposal will close on 16 December
- Expansion of the school will be on a phased basis
