

Nottingham

City Council

USING THE SUSTAINABLE COMMUNITIES ACT 2007

Seeking views from the
Communities

Working together to reduce Crime, Disorder and the misuse of Drugs

What do you want us to achieve?

- Outcomes from contact with residents – surveys
- Cleanest Major City by 2011
- Improved Quality of Life
- Helping People feel safe
- Effectively tackle anti social behaviour

Nottingham
City Council

Working together to reduce Crime, Disorder and the misuse of Drugs

What is the Issue

- We are tackling the problems
- Housing management and care
- Litter rubbish and noise
- Street and under age drinking
- Behaviour in public places
- We are frustrated and need to be empowered

USING THE SUSTAINABLE COMMUNITIES ACT 2007

- What we want to achieve through the Sustainable Communities Act – we are seeking your views

Nottingham
City Council

Working together to reduce Crime, Disorder and the misuse of Drugs

Simple changes can make a difference

- Littering from cars
- Fly posting
- Properties detrimental to the amenity of the neighbourhood
- Domestic Violence enactment of law
- Faster procedures for bins on streets
- Public safety zones

Nottingham
City Council

Working together to reduce Crime, Disorder and the misuse of Drugs

Big changes can make big differences

- Licensing and controls for all multi occupied homes
- Balancing the housing market
- Prevention of Drunk & Disorderly
- Responsible occupation of all homes in Nottingham
