<b>POLLING PLACE</b>	<b>ACCESS</b>	<b>HANDRAIL</b>	<b>THRESHOLD</b>	<b>DOOR WIDTHS</b>	<b>ROOM LOCATION</b>	<b>PROPOSAL</b>
Russell Youth Club, Lowdham Street	Level	N/A	OK	Internal OK External OK	Main Hall	No change.

<b>RETURNING OFFICERS COMMENTS</b>
<p>Alternative premises investigated:</p> <p>Our Lady with St Albans Church Hall – This building has steps all around.</p> <p>Victoria Leisure Centre – Sports Hall or Bedford Room – The Sports Hall would be the preferred option as the Bedford Room has a long access route. This building is located in the south west of the polling district.</p> <p>Sneinton St Stephen’s C of E Primary School - currently known as the parents room, this is being converted for disabled access to become part of the main hall with folding doors. This building is located at the top of a hill. Electors approaching from Spalding Road would need to negotiate steep steps.</p> <p>27 – 31 Carlton Road – Level access from Handel Street, access via sliding doors. This room is not practical for use as a polling station as it is directly off the road and the doors would need to be kept open for access.</p> <p>Ward Councillors have expressed dissatisfaction with the current station. However it is centrally located with level access and has a large hall. No change is proposed.</p>

Access is unsuitable.</p> <p>7th Nottm, Trafalgar Scout Lodge – This building has a large threshold with a 30mm step and 30mm weatherstrip. The doors are undersize and would need to be propped open. It is located on the west side of the Forest Recreation Ground.</p> <p>Community Centre, 34 Waterloo Rd – This building has unsuitable access.</p> <p>The access to the current polling station is poor. The Access Officer inspected the building prior to May 2007 elections &amp; advised this will require major structural work to adapt.</p> <p>Propose to contact the Scout Lodge to investigate the possibility of improving access with a view to using this building in the future.</p>

<b>POLLING PLACE</b>	<b>ACCESS</b>	<b>HANDRAIL</b>	<b>THRESHOLD</b>	<b>DOOR WIDTHS</b>	<b>ROOM LOCATION</b>	<b>PROPOSAL</b>
Winwood Community Centre, Chestnut Walk	Ramps 1:12	Yes	OK	Internal 740mm External 740mm	Main Room	No change.

<b>RETURNING OFFICERS COMMENTS</b>	<p>No alternative buildings were identified in this polling district.</p> <p>A suggestion that the polling place be changed to the Synagogue Hall in Sherwood G has been considered as a result of feedback from elected members. However, this would impact detrimentally on residents of Winchester Court and Woodthorpe Court who are predominately elderly more than it would be beneficial to the electorate who live closer to the Synagogue Hall. I would recommend that in these circumstances a move of the polling place outside the polling district boundary is not necessary and propose no change.</p>

<b>RETURNING OFFICERS COMMENTS</b>	<p>Alternative premises investigated:</p> <p>Clifton Village Hall – Feedback from elected members and the electorate strongly suggests that this is a preferred venue. Solutions to this access problem would be pursued.</p>
