

Motion in the name of Cllr Mellen

The City Council notes the recent policy changes by the Government that are disproportionately hitting young people in Nottingham: the removal of the Educational Maintenance Allowance, the continued confusion over Connexions, the reductions in benefits for single persons, the loss of training places and the massive increase in student fees.

The City Council calls on the Prime Minister, Deputy Prime Minister and Chancellor of the Exchequer to make good on their promise that "we're all in this together" by reviewing and changing their policies to ensure that they do not lead to a wasted generation of young people in Nottingham and the U.K.
