3. BACKGROUND

Members may recall that at its meeting of 8th April 2002, the Licensing Committee indicated that it intended to designate the following areas, together with all adjoining car parks and other areas to which the public have access without payment as prohibited for the purposes of street trading:

Chardlace Walk, Trivett Square, Short Stairs, Malin Hill, Garners Hill, Carter Gate, Fisher Gate, Dean Street, Poplar Street, Sussex Street, Cliff Road, Harnett Close, Shortwood Close, Popham Street, Popham Court, Maltmill Lane, Pemberton Street,

Long Stairs, London Road between its junction with Lower Parliament Street and Queens Road and between its junction with Canal Street and Plumtre Square, City Link, Trent Street, Pinder Street and Plough Lane.

The Licensing Committee also indicated an intention to designate High Pavement together with all adjoining car parks and other areas to which the public have access without payment in order to control street trading in this area. The type of designation was to be decided with advice from the City Secretary in conjunction with consultation with the Chair, Vice Chair and Opposition Member of the Licensing Committee. Following advice from the City Secretary it was decided to designate High Pavement together with all adjoining car parks and other areas to which the public have access without payment as consent streets.

The steps required by paragraph 2 (3) of schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982 have been complied with.

The Deputy Chief Executive and City Secretary advertised the Council's intentions, any objections received will be reported to the Committee.

3.1 Pennyfoot Street

The Director of Design and Property Services and the City Secretary are currently undertaking a consultative process associated with Pennyfoot Street and a further confirmatory report will be submitted on this matter to a future meeting of the Committee.

4. CITY TREASURER'S OBSERVATIONS

As there is currently no revenue generated from Street Trading in these streets, there is no financial impact on the City Council of prohibiting these activities.
