Application for Variation of Entertainments Licence
Afro Caribbean Club, 31 Hungerhill Road, St. Anns

My concern is noise on the street when customers they leave the club (slamming car doors, revving car engines, talking/shouting on the street corner, etc.). Management can carry out works to prevent noise escaping from the building but they cannot control noise on the street. Therefore, I object to the clubs proposed termination hour of 3.0am and recommend that the existing termination hour of 1.30am not be extended

 Pollution Control Officer
