REPORT OF THE CHIEF FIRE OFFICER

BEST VALUE PERFORMANCE PLAN

1 PURPOSE OF THE REPORT

- 1.1 To inform Members of the latest position with regards to the Authority's Best Value Performance Plan.

2 BACKGROUND

- 2.1 As Members will be aware the Authority has to publish the BVPP by 30 June each year. Although the Authority took the decision to only publish the Plan on the website, Members should have by now received a hard copy of the completed Plan.
- 2.2 As previously stated in a Fire Authority report, the Service will update the BVPP on the website on a quarterly basis. I am now in a position to confirm that the first update has been carried out.
- 2.3 Any Member wishing to see these new figures can obtain the information by logging on to www.notts-fire.gov.uk and clicking on the "Best Value" icon.

3 FINANCIAL IMPLICATIONS

- 3.1 There are no direct financial implications arising from this report, however, the decision by the Authority to publish the Plan on the website at an earlier meeting has led to savings in external publishing costs. The savings from this Plan have enabled the Authority to publish the Service's Annual Business & Financial Plan at no additional cost to the Authority.

4 PERSONNEL IMPLICATIONS

- 4.1 There are no direct personnel implications arising from this report.

5 EQUAL OPPORTUNITIES IMPLICATIONS

- 5.1 There are no direct equal opportunities implications arising from this report.

6 RISK MANAGEMENT IMPLICATIONS

- 6.1 There are no direct risk management implications arising from this report.

7 RECOMMENDATIONS

7.1 That Members note the content of the report.
