### 1. BACKGROUND

- 1.1 On Wednesday 28 May 2008 Communities and Local Government (CLG) launched the Equality and Diversity Strategy 2008-2018 for the Fire and Rescue Service nationally. The Strategy had been subject to extensive consultation to which Nottinghamshire Fire and Rescue Service submitted a detailed response, ratified by the Policy and Strategy Committee at its meeting of 1 February 2008.
- 1.2 Additionally, at the launch of the Equality and Diversity Strategy CLG also released the findings of a survey of current and ex-firefighters in England. In November 2006 the then Department for Communities and Local Government (DCLG) commissioned an external research company to undertake this survey. The report identifies significant issues for the Service with regard to gender facilities, the role of firefighters and other behaviour.
- 1.3 Nottinghamshire Fire and Rescue Service has for a long time had a well established Ad-Hoc Equalities Group, however in response to the Equality and Diversity Strategy and the firefighter survey, it is appropriate to review its structure and terms of reference.

### 2. REPORT

- 2.1 Nottinghamshire Fire and Rescue Service have a long established forum for the issue of Equality and Diversity within the Service under the guise of adhoc equalities, however, following a review by the Service's Equality and Diversity Officer, outline proposals for a new structure were put to the Fire and Rescue Authority at its meeting of 27 June 2008. These proposals were referred to the Policy and Strategy Committee for final approval for adoption at its meeting on 1 August 2008.
- 2.2 The proposals for the revised management of equalities contained the following key elements:
  - Changing the terms of reference, name and make up of the current Ad-Hoc Equalities Group.
  - The establishment of a new Equalities Action Group led and attended by managers.
  - The establishment of minority group forum where issues relating to them can be discussed in a safe, confidential environment. Such groups could also act as key consultees in any Service proposals.
  - A Trade Union consultation group established that would ensure productive engagement and response.
  - A clear reporting mechanism on equalities performance.

- 2.3 It was therefore resolved that the Ad-Hoc Equalities Group is replaced by a Strategic Equalities Board with a more streamlined structure and clear terms of reference (see Appendix A attached). Other Fire and Rescue Authority Members would have an open invitation to attend as observers when desirable.
- 2.4 In support of this revised board and to ensure that equalities becomes further embedded and mainstreamed across the Service, all departments need to be involved or associated with the issues. In order to do this it was further proposed that an Equalities Action Group be formed, chaired by a member of the Strategic Management Team and supported by managers based in departments. This would ensure that the strategic approach of the Member/Officer Board is cascaded throughout the organisation. Specific membership and terms of reference have been developed to support this process and are attached at Appendix B.
- 2.5 To continue to ensure that the Service remains in dialogue with its employees, a specific Employee Engagement and Consultation Group, where the chair of the Equalities Action Group and the Equality and Diversity Officer meet with the Trade Unions, is to be established. Additionally, specific minority group forums will be established so that the Service can continue to develop its strategy with regard to disability groups, black and minority ethnic employees and female staff (see Appendix C).

### 3. FINANCIAL IMPLICATIONS

The Service currently allocates a specific budget to the equalities agenda which covers some actions to improve the service performance such as seminars, community events and literature. Additionally, funds from the training budget are used to support recruitment of underrepresented groups within the Service. There will be a need to review these amounts in response to the national strategy to ensure the Service meets its legal and moral obligations with regard to equalities.

### 4. HUMAN RESOURCES AND LEARNING AND DEVELOPMENT IMPLICATIONS

The recruitment, development and retention of a diverse workforce is essential for Nottinghamshire Fire and Rescue Service if it is to continue to deliver a quality service and create a better understanding of the advice and support the public can receive. Recruitment of staff and their ongoing development will need to form a key part of the Service's approach to its staff in the future.

### 5. EQUALITY IMPACT ASSESSMENT

An initial equality impact assessment is attached at Appendix E.

### 6. CRIME AND DISORDER IMPLICATIONS

There are no crime and disorder implications arising from this report.

### 7. LEGAL IMPLICATIONS

The new structure will ensure that the Service meets its legal duty under various equalities legislation.

### 8. RISK MANAGEMENT IMPLICATIONS

- 8.1 As a public body Nottinghamshire Fire and Rescue Service has both general and specific legal duties to promote equality of opportunity and eliminate discrimination for service users and employees. Failure to comply with such requirements may not only lead to prosecution but could also:
  - Reduce the Service's ability to protect and serve the community because of a poor understanding of its needs;
  - Cause detriment to employees who may not have the equality of opportunity to develop their potential; and
  - Damage the standing and reputation of Nottinghamshire Fire and Rescue Service.
- 8.2 Performance against CLG's targets within the Equality and Diversity Strategy will be measured through annual returns and the Audit Commission inspection process. Nottinghamshire Fire and Rescue Service may not be able to achieve a "performing well" assessment until it achieves Level 3 on the Equality Standard for Local Government scale. This could lead to the potential of intervention by the Secretary of State under the provisions of the Fire and Rescue Services Act 2004.

### 9. **RECOMMENDATIONS**

That the Fire and Rescue Authority adopt the revised governance structure for the management of the equalities agenda within Nottinghamshire Fire and Rescue Service.

## 10. BACKGROUND PAPERS FOR INSPECTION (OTHER THAN PUBLISHED DOCUMENTS)

None.

Frank Swann CHIEF FIRE OFFICER

### STRATEGIC EQUALITIES BOARD TERMS OF REFERENCE

### **Frequency of meetings : Quarterly**

### **Overall Objective**

To ensure that Nottinghamshire and Nottingham City Fire and Rescue Authority sets and maintains its strategic direction in relation to equality and diversity in order to reduce disadvantage, discrimination and inequality of opportunity, and to promote equality in terms of the people it serves, its workforce, the partners it works with and the services it delivers.

### Proposed Role and Function

- To oversee NFRS's discharge of its statutory responsibilities in relation to race, disability and gender and other relevant areas of equalities legislation and/or guidance that may arise in future.
- To set the strategic direction of the equalities agenda at NFRS through assessment of national strategy and local need
- To act as a group for consultation at member level.
- To forge effective relationships with ONE Nottingham (LSP) and community group leaders in order to support achievement of corporate NFRS objectives and those of our partners
- To inform and support the work of the Equalities Action Group
- To report progress back to the Policy and Strategy and Performance Committees as appropriate.

#### Proposed Membership

Councillor (Chair of Group)						
Councillor (Vice Chair of Group)						
Councillor (L)						
Councillor (LD)						
Councillor (C)						
Chief Fire Officer						
Deputy Chief Fire Officer						
Equality and Diversity Officer						

### EQUALITIES ACTION GROUP TERMS OF REFERENCE

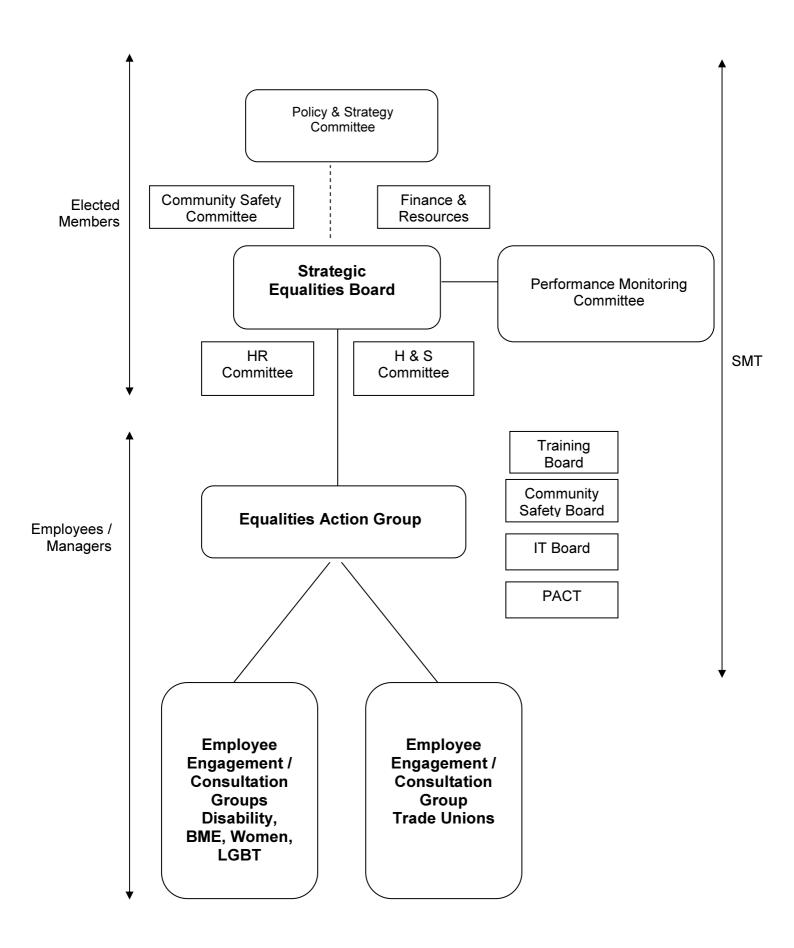

### Frequency of meetings : every 2 months

### **Overall Objective**

To ensure effective and co-ordinated action across Nottinghamshire and City of Nottingham Fire and Rescue Service, to reduce disadvantage, discrimination and inequalities of opportunity, and to promote equality in terms of the people it serves, its workforce, the partners it works with and the services it delivers.

### **Proposed Role and Function**;

- To ensure NFRS's discharge of its statutory responsibilities in relation to race, disability and gender and other relevant areas of equalities legislation and/or guidance that may arise in future.
- To co-ordinate action and strategy on the equality agenda across the Service by ensuring that work within and between departments is effectively co-ordinated and prioritised so that objectives are met.
- To develop innovative, creative and effective solutions to achieve equalities objectives.
- To monitor and report on the progress made by departments on their equalities objectives.
