Dear David

Re: Kurt Geiger – 29 Bridlesmith Gate, NOTTINGHAM

Further to our recent conversations, we write in respect of the Juice Van which has parked outside our above shop unit.

We are very concerned about the lack of wide consultation at the planning application stage and the commercial relationship which exists, allegedly, between the Juice Van and the local authority by means of a Licence and Licence Fee.

We do not believe that the consultation properly outlined the full implications of the size, location and impact of the Juice Van and the actual affect that the Juice Van has had on the ambience and tone of Bridlesmith Gate (being Nottingham's premier retail street).

We would be grateful if you could pass these concerns to the relevant individuals.

Yours sincerely
