9 ANNUAL REVIEW OF GENERAL SAFETY CERTIFICATE: NOTTS COUNTY FOOTBALL CLUB

The Committee considered a report of the Director of Community Protection.

This morning, Councillors on the Committee visited the ground to carry out an inspection, accompanied by colleagues and members of the Safety Advisory Group, including Fire and Ambulance service representatives.

Jim Rodwell and Greg Smith, Chief Executive and Stadium Manager respectively at Notts County Football Club, facilitated the visit and attended this meeting to answer any questions from the Committee.

Paul Dales, Food and Health and Safety Manager, presented the report, detailing issues, such as electrical and fire safety work and work to the floodlights, all of which are being, or have been, addressed. The report proposed to replace the existing Certificate with the Certificate attached to the report as annex 1.

RESOLVED to approve the General Safety Certificate detailed at annex 1 to the report as a replacement for the existing Certificate with effect from 22 July 2014.
