32 BETTER CARE FUND 2015/16 SCHEME REALLOCATION

Antony Dixon, Strategic Commissioning Manager, presented the report of the Assistant Chief Executive seeking approval for an in year reallocation of 2015/16 Better Care Fund (BCF) funding in order to ensure delivery of key BCF metrics and further the delivery of integrated care in the city. Antony highlighted the following:

- (a) the realignment of funds from the Independent Pathway Nottingham City Council Reablement Scheme is due to a failure to recruit for this service and hence a move to more long-term care. This is why the resources are being realigned to Coordinated Care;
- (b) the realignment of funds from 7 day working to programme management is required as further programme management resource is required. The level of resource in this area is currently low compared to other authorities and the high staff turnover is resulting in a lack of consistency;
- (c) Community Psychiatric Nurses in Neighbourhood Teams is a new scheme that was due to begin in 2016/17. However this early funding in-year will fund the gap in services which has been identified at an earlier stage.

RESOLVED to approve the realignment of NHS Nottingham City Clinical Commissioning Group (CCG) and Nottingham City Council schemes to reflect 2015/16 finalised contract values and activity level as detailed below:

Proposal	Funding allocation from	Funding allocation to	Lead partner	2015/16 cost
NCC Reablement service	Independence Pathway – NCC Reablement	Coordinated Care	City Council	£486,000
BCF Programme costs	Coordinated Care – 7 day working	Programme management	CCG	£27,644
Community Psychiatric Nurse (CPN)s in neighbourhood teams	Coordinated Care – 7 day working	Coordinated care – CPN in neighbourhood teams	CCG	£40,333
Total				£553,977
