### 13 **Motion in the name of Councillor Sally Longford**

The Council notes that:

1. Nottingham City Council has in place a detailed action plan to tackle the Climate and Ecological Emergency, which we have pledged to review annually.
2. The Climate and Ecological Emergency Bill is before Parliament, which calls on the Government to:
  - ensure that the UK plays its fair and proper role in reducing greenhouse gas emissions consistent with limiting global temperature increase to 1.5 degrees centigrade;
  - ensure that all the UK's consumption emissions are accounted for, including from aviation and shipping;
  - restore and regenerate the UK's depleted soils, wildlife habitats and species populations to healthy and robust states, maximising their capacity to absorb CO<sub>2</sub> and their resistance to climate heating; and
  - set up an independent Citizens' Assembly, representative of the UK's population, to engage with Parliament and Government and help develop the emergency strategy.These actions would have a positive impact on Nottingham's plans to become carbon neutral by 2028, and on the future prospects for a good quality of life for our citizens in the future.

This Council resolves to:

- Declare support for the Climate and Ecological Emergency Bill and work with our local MPs and citizens to raise awareness of the issues. We particularly welcome the section referring to the importance of ensuring that deprived communities, who are most vulnerable to the impacts of climate change, must not be disproportionately affected by actions taken to tackle the emergency.
- We commit to:
  1. Introduce a Planning Department Sustainability Checklist as a matter of urgency and work towards implementing a Carbon Neutral Supplementary Planning Document by 2023.
  2. Continuing to bid for funding to enhance energy efficiency and renewable energy installations of Nottingham citizen's homes, reducing fuel poverty and carbon emissions.
  3. Supporting Nottingham businesses and local organisations to make a switch to sustainable transport options, reducing emissions and improving air quality.
  4. Continuing to lobby the Nottinghamshire Local Government Pension Scheme to divest from fossil fuels
  5. Pressing ahead with our "bee friendly" projects across Nottingham, supporting vulnerable pollinator populations in every neighbourhood and reduce the use of pesticides.
  6. Improving the blue-green infrastructure of the City by working with partners such as the Environment Agency, the Canal and River Trust, the Universities and Severn Trent Water to protect people from flooding and enhance the environment.

#### 14 Committee membership changes

To note the following changes to Committee membership:

- a) Councillor Sue Johnson has been appointed as a member of the Trusts and Charities Committee
- b) Councillor Cheryl Barnard has been removed as a substitute for the Audit Committee

**Please note that questions to Council are received after the agenda has been published. Questions will be published as a supplementary agenda by 5pm on Friday 16 July 2021.**

If you need any advice on declaring an interest in any item on the agenda, please contact the Governance Officer shown above, if possible before the day of the meeting

Citizens are advised that this meeting may be recorded by members of the public. Any recording or reporting on this meeting should take place in accordance with the council's policy on recording and reporting on public meetings, which is available at [www.nottinghamcity.gov.uk](http://www.nottinghamcity.gov.uk). Individuals intending to record the meeting are asked to notify the governance officer shown above in advance.

In order to hold this meeting in as Covid-safe way as possible, all attendees are encouraged to:

- maintain distancing between themselves and others when entering and leaving the room and during the meeting. Please do not sit in a seat marked with a 'x' as these will be out of use for this meeting. As far as possible, please remain seated during the meeting to minimise movement around the room.
- wear face coverings when entering, leaving and moving around the room.
- make use of the hand sanitiser available, and when moving about the building follow signs about traffic flows, lift capacities etc.

Dated 9 July 2021

Director for Legal and Governance

**To: All Councillors of Nottingham City Council**
