12 Motion in the name of Councillor Graham Chapman This Council expresses its deep disappointment at the Government's response to the social care crisis in that: <ul style="list-style-type: none">• the amount of additional funding, both in the short and long term, will not 'fix the problem';• a number of care homes risk closure and there is nothing in the recent announcement to recognise the problem;• the Government will continue to rely on regressive council tax	

- increases to plug gaps;
- there is no long-term strategy for training, recruiting, sustainable wage growth, and professionalising the sector; and
- the increase in National Insurance contributions, which was introduced as a solution, will actually make the problem worse.

It calls on the Government to:

- provide a properly funded comprehensive approach, if necessary via a levy on wealth; and
- ensure that there is no further call on the council tax to fund increases in social care funding
