14 Motion in the name of Councillor Leslie Ayoola

The Home Office's failure to keep detailed records of the arrivals in the UK created an issue for the 'Windrush Generation' who were unable to evidence their lawful status when facing immigration checks to continue working, access services or even to remain in the UK.

This Council notes:

- The enormous contribution of members of the Windrush Generation to British society following the Second World War.
- That the many thousands of members of the Windrush Generation who made their homes in this country to build a better life and contribute to our society were granted indefinite leave to remain in 1971.
- That members of the Windrush Generation residing in Nottingham may have suffered loss and unfair treatment with regard to their immigration status, including threat of deportation due to the failure of the Home Office to maintain records of their lawful right to remain in the UK.
- The ongoing implications of this treatment for many people and their families.
- That the Council holds an annual civic event to commemorate the Windrush Generation on 22 June.

This Council therefore resolves:

- To continue to mark Windrush Day on 22 June in the City of Nottingham annually as a civic celebration to recognise and honour the enormous contribution of those who arrived between 1948 and 1973.
- To call upon the Government to support advice agencies in their work to achieve support, advocacy and justice for all Nottingham residents affected by the Windrush scandal; not to cap compensation amounts payable to victims under its compensation scheme or to apply confidentially agreements, time limits or other arbitrary restrictions; and waive fees for naturalisation for all who have been affected and provide legal aid for those who have been affected.
- To offer support to those affected by the scandal who may be seeking help, including to third sector organisations which provide support, advice and advocacy.
- To promote the Windrush Generation Scheme to help ensure that all Nottingham residents who may be eligible for compensation are aware of it.
