- 16 Motion in the name of Councillor Georgia Power**
This Council supports the Government's stated aim to 'level up' in the UK. However, it believes that the Government's Levelling Up Strategy is:
- 1) incoherent, as it has no defined view on what levelling up means;
 - 2) badly directed, as it spreads small amounts of finance over wide areas, on dubious criteria and with minimum impact, having deprived those same areas of years of mainstream funding; and
 - 3) procedurally divisive, short term and badly managed.
- Despite this, Council has continued to build council houses, improved private rented housing through selective licensing, kept ownership of care homes, supported welfare rights services across the city, built a new Central Library and invested in affordable and reliable public transport through our bus and tram networks, including 78 new electric buses.
- It therefore urges the Government to adopt a clear definition of what levelling up means, what the key factors are and what degree of funding, timescale and targeting is required to make a difference to the economies and prospects of areas such as Nottingham which are most in need.
- 17 Future Meeting Dates**
- 1) To agree to hold an Extraordinary Council meeting on 23 March 2023 at 6pm;
