|----|---|-----------------------------|--|---|---|--|
| 1. | Establishment of a Commercial Waste Company - KEY DECISION | 17 December 2019 | 21 November 2019 | Daniel Ayrton, Business Development Manager. daniel.ayrton@nottinghamcity.gov.uk | <p>The item could not be included on the 28 day notice because the decision was deferred from the 19/11/2019 Exec Board to the 17/12/2019 Exec Board, and so missed the publication of the 28 day notice.</p> <p>Reason why the business is urgent and cannot be deferred: The proposal is required to make a positive contribution to the Council's budget position with savings already assumed within the MTFP for 2020/21. Realising these savings requires implementation of the proposal in the first quarter of 2020/21 and ideally on the 1st of April 2020. Implementation cannot commence prior to formal approval and any additional delay will threaten delivery of the project within the above timeframe.</p> | <p>Part exempt under paragraph 3, 4</p> <p>Information relating to the financial or business affairs of any particular person (including the authority holding that information). Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority. It is not in the public interest to disclose this information because publication of the information may undermine the Council's competitive stance and impact on contract negotiation with current NCC employees.</p> |

| 2. | Refugee Resettlement Programme and Grant Income Extension - Key Decision | 17 December 2019 | 21 November 2019 | <p>Amy Goulden, Community Relations Manager</p> <p>amy.goulden@nottinghamcity.gov.uk</p> | <p>This item could not be included on the 28 day notice because the scale of decision has been waiting partnership intentions to continue from neighbouring Councils, confirmation from neighbouring councils has now been received.</p> <p>Reason why the business is urgent and cannot be deferred: The grant agreements and staffing in place to support current delivery require extensions to continue and expand to meet the needs of the new cohort. Without extensions to current grant funding arrangements in place to March 2020, staff in key voluntary groups will be put on notice of redundancy, potentially adversely affecting the service.</p> | <p>Part exempt under paragraph 3</p> <p>Information relating to the financial or business affairs of any particular person (including the authority holding that information). It is not in the public interest to disclose this information because it relates to local contractual, commercially sensitive arrangements and disclosure of this information could impact on future contract negotiation. General information about the scheme and funding available is available to any via the Home Office Website</p> |
