1.	External Review of Housing Financial Management and Council Response - Key Decision	28 April 2022	26/04/2022	Kevin Lowry, <a href="mailto:kevin.lowry@nottinghamcity.gov.uk">kevin.lowry@nottinghamcity.gov.uk</a>	The meeting is urgent and the business cannot be deferred because report outlines significant issues that have been identified relating the management of the Housing Revenue Account that require urgent and decisive action. The report outlines the proposed actions and controls that need to be put in place to address the issues that have been identified. There is a need to provide timely assurance to all stakeholders including members, tenants, taxpayers, the improvement and assurance board and government that the issues that have been identified are accepted by the Council and that appropriate action will be taken urgently to address them. Awaiting until to the next scheduled Executive Board meeting in May will undermine that assurance and therefore the matter needs to be taken as urgent business for the April meeting.
