

BRIEFING NOTE - Re extension to the PSPOs as respects alcohol

To: Cllr David Mellen

From: Melanie Fretwell, Principal Enforcement Officer

Date: 19th December 2019

Proposed – authorise the Director of Community Protection to publish notification of, and undertake, consultation in respect of proposed extensions to the Public Spaces Protection Orders as respects alcohol for a further three years from 19th October 2020.

On 19th October 2020, the Public Spaces Protection Orders in respect of alcohol consumption in public across the City Council's administrative area are due to expire. If we fail to renew these Orders, the Community Protection Officers would no longer have the powers derived from these Orders which support them to tackle alcohol related crime and disorder across the city.

The Report details the reasons for supporting the decision to allow the Director of Community Protection to carry out a period of consultation within the city around extending the Orders for a further three years
