Title:	Joint Strategic Needs Assessment Evidence Summary (2020)
Lead Board Member(s):	Alison Challenger, Director of Public Health
Author and contact details for further information:	<p>Amy Pellow and Gill Clark, Strategic Insight Assistant Researchers amy.pellow@nottinghamcity.gov.uk gill.clarke@nottinghamcity.gov.uk</p> <p>Claire Novak, Insight Specialist – Public Health claire.novak@nottinghamcity.gov.uk</p>
Brief summary:	<p>This Evidence Summary presents an overview of the health and wellbeing needs in Nottingham City using the key findings from Nottingham City’s Joint Strategic Needs Assessment (JSNA). It summarises the six chapters published during the financial year 2019 to 2020:</p> <ul style="list-style-type: none"> • Pregnancy • Air Quality and Health • Demography • Smoking and Tobacco Control • Severe Multiple Disadvantage • Housing, Excess Winter Deaths and Cold-Related Harm <p>JSNAs are local assessments of current and future health, and of social care needs. The aim of a JSNA is to improve the health and wellbeing of the local community and reduce inequalities for all ages through ensuring commissioned services reflect need. It is used to help determine what actions Local Authorities, the NHS and other partners need to take to meet health and social care needs and to address the wider determinants that impact on health and wellbeing.</p> <p>Nottingham City’s JSNA chapters each consider a particular health and social care issue or the health and social care needs of specific groups. All supporting data and information for this Evidence Summary, including references, can be found in individual chapters.</p>

Recommendation to the Health and Wellbeing Board:

The Health and Wellbeing Board is asked to:

- (1) note the recommendations for commissioners included in the JSNA chapters; and
- (2) reflect on the learning to be gained from each chapter.

Contribution to Joint Health and Wellbeing Strategy:

Health and Wellbeing Strategy aims and outcomes	Summary of contribution to the Strategy
Aim: To increase healthy life expectancy in Nottingham and make us one of the healthiest big cities.	The JSNA directly informs Health and Wellbeing Strategy formulation and commissioning. Its contribution cuts across the strategic aims and outcomes in the Health and Wellbeing Strategy.
Aim: To reduce inequalities in health by targeting the neighbourhoods with the lowest levels of healthy life expectancy.	
Outcome 1: Children and adults in Nottingham adopt and maintain healthy lifestyles.	
Outcome 2: Children and adults in Nottingham will have positive mental wellbeing and those with long-term mental health problems will have good physical health.	
Outcome 3: There will be a healthy culture in Nottingham in which citizens are supported and empowered to live healthy lives and manage ill health well.	
Outcome 4: Nottingham's environment will be sustainable – supporting and enabling its citizens to have good health and wellbeing.	

How mental health and wellbeing is being championed in line with the Board's aspiration to give equal value to mental and physical health

Mental health and wellbeing is a key theme which runs throughout the JSNA. Parity of esteem is applied when prioritising chapters to be updated.
