Summary of issues (including benefits to citizens/service users):		
This report focusses on current priorities and issues facing the Clifton East and Clifton West wards and gives details of forthcoming events and activities. It also highlights the latest issues now being addressed through regular Neighbourhood Action Team (NAT) meetings and provides updates on the Area Partnership.		
Recommendation(s):		
1	To note the progress on Ward priorities and other supporting information including the issues being addressed by each Neighbourhood Action Team, and upcoming opportunities for citizens to engage, the latest Crime and Drugs Partnership statistics and the update on the Area Partnership activity.	

1 Reasons for recommendations

- 1.1 Each ward has agreed priorities, which link to the City Council's current ambitions contained in the latest City Council Plan 2019-2023. Actions for each priority are developed and led by appropriate service teams and partnerships. These priorities are updated for each Area Committee, taking into account discussions at NAT meetings and various groups and activities involving Councillors, residents and local groups.
- 1.2 The events and activities detailed in the report take into account the work undertaken by Neighbourhood Development Officers (NDO's) with partner organisations within the wards. It shows the range of activity in place across the neighbourhoods to improve social cohesion and tackle priorities at a ward and area level.
- 1.3 The Area Partnerships were established in all areas across the City in November 2020 and this report provides and update on their work.

2 Background (including outcomes of consultation)

- 2.1 Each ward manages a set of priorities and key issues through regular meetings of the NAT. These meetings are led by NDO's and supported by core partners including: Nottingham City Homes (NCH), Neighbourhood Policing, Community Protection, Early Help, City Services/Waste Management, Fire and Rescue Service, Employment and Skills and Health.
- 2.2 Ward Councillors are also invited to participate in these meetings.
- 2.3 Ward priorities are identified through a range of sources including Citizens, Councillors, Partners and Officers and current issues will be updated for each area committee.
- 2.4 Area Committee Chairs will be invited to review the latest Ward Reports to ensure that the format is accessible for Councillors and community representatives and that there is sufficient consistency across all areas.
- 2.5 The current individual Ward Priorities, Key Issues and Opportunities for Engagement for Clifton East and Clifton West are shown in Appendices 1 and 2 respectively and will be updated for each Area Committee.
- 2.6 An update on the work of the Area Partnership is also included in the appendices.
