

Holiday Activity Fund – Free Fun and Food

We are still in the early planning stages for the Holiday Activity Fund due to the short timescales set by the Government. Recent changes to lockdown guidance and a pending announcement about Free School Meal vouchers for Easter also mean final plans are yet to be completed.

The tables below set out indicative spending areas for the grant. Decision making for the final spending of the Holiday Activity Fund will be overseen by the Project Board, which includes senior Finance colleagues, and the Education Programme Board.

Funding area	Commentary	Indicative amount
Food	Food is an intrinsic part of this project and the Project Team are working with Catering to establish the best way to deliver food to children and their families through holiday activity sessions. We aim to source match funding from third party organisations wherever possible.	£650,000
Easter	The Government have announced lockdown rules will allow Free School Meals pupils to attend holiday clubs along with Critical Worker and Vulnerable children from 29 th March. We are working to identify schools who are willing to run holiday clubs on site that can be accessed by Free School Meals pupils, and allocate funding to schools who already have plans in place to deliver holiday activity to enable more FSM pupils to attend. Other plans for Easter include Forest in the Community establishing sports clubs in a handful of locations, mental health and wellbeing activity packs being delivered to local foodbanks and online sessions with Nottingham Playhouse.	£60,000
Area Based Grant Managers	It is intended to allocate a portion of this funding to the Area Based Grant Managers to support and enhance their summer/Christmas holiday planning to maximise on existing funding and to ensure more FSM pupils are able to attend sessions.	£164,000
Bid for funding	A large proportion of the fund will be set aside for a bidding process where community groups, charities and schools can apply for funding to support the aims of the Holiday Activity Fund. Need and provision mapping will be undertaken to agree priority areas - there will be a heavy focus on children with SEND and mental health and wellbeing activities.	£600,000
Internal provision	Some funding will be ringfenced for internal Nottingham City Council teams to deliver free provision to FSM and vulnerable children.	£75,000
Management of the fund	Up to 10% of the Holiday Activity Fund can be used to cover the costs incurred in managing this project.	£180,000
Contingency		£71,440
	Total	£1,800,440

ANNEX B

1. In this Annex:

“the Programme” means the use by the Authority of as much of the grant money identified in Annex A as it deems necessary to meet the aims and objectives outlined in paragraphs 4-10;

“the Department” means the Department for Education;

“the Authority” means any local authority listed in Annex A;

“the Secretary of State” means the Secretary of State for Education;

2. The grant is only paid to the Authority to support eligible expenditure (see paragraphs 4 to 10 below).
3. The Authority must have regard to any guidance issued by the Department, including the guidance available on gov.uk: [Holiday Activities and Food Programme](#)

Eligible expenditure

4. Eligible expenditure means payments made, or committed to, by the Authority or any person acting on behalf of the Authority, under the Programme.
5. The purpose of the grant is for local authorities to make free places at holiday clubs available in the Easter, summer and Christmas holidays 2021 to children in their local authority who receive benefits-related free school meals.
6. The holiday club places will be available for the equivalent of at least 4 hours a day, 4 days a week, 6 weeks a year. This covers four weeks in the summer, plus a week’s worth of provision in each of the Easter and Christmas holidays. Local authorities have flexibility about how they spend this grant and deliver this provision to best serve the needs of the children and families in their areas. Further information for local authorities is available on gov.uk: [Holiday Activities and Food Programme](#)
7. The clubs should meet our programme standards (as set out in our published guidance) will meet the following core aims and objectives:
- **Healthy meals:** holiday clubs must provide at least one healthy meal a day and must meet the [School Food Standards](#) throughout the day.
 - **Enriching activities:** holiday clubs must provide fun and enriching activities that provide children with opportunities to develop or consolidate skills or knowledge, to consolidate existing skills and knowledge. Clubs must also

provide physical activities which meet the [Physical Activity Guidelines](#) on a daily basis.

- **Nutritional education:** holiday clubs must improve children’s knowledge and awareness of healthy eating and offer advice and training to parents on how to source, prepare and cook nutritious and low-cost food.
 - **Signposting and referrals:** clubs must be able to provide information, signposting or referrals to other services and support that would benefit the children who attend their provision and their families.
 - **Policies and procedures:** clubs must be able to demonstrate and explain their safeguarding arrangements and have relevant and appropriate policies and procedures in place in relation to: safeguarding, health and safety, insurance, accessibility and inclusiveness. Where appropriate, clubs must also be compliant with the Ofsted requirements for working with children.
8. The free holiday club places must be targeted at children who are eligible for and receiving benefits-related free school meals. If the local authority can demonstrate that a) it is offering the programme comprehensively across its full geographical area and b) fully meeting demand from free school meal eligible children in its area, then the local authority can seek written approval from the Department to use up to 15% of its funding to provide free or subsidised holiday club places for children who are not in receipt of benefits-related free school meals but who are considered by the local authority as in need of this provision. For example, this may include children assessed as being in need, looked-after children, children with an education, health and care plan (EHC), children assessed as otherwise vulnerable, or children living in areas of high deprivation.
9. The Authority can spend up to 10% of its funding on its administration costs for the local coordination of the Programme. At least 90% of the funding must be spent on the provision of free holiday club places for eligible children.
10. The Authority must indicate that the programme is funded by the Department for Education in any publicity or press materials.

Payment and reporting arrangements

11. Payments will be made by Department for Education at the following milestones:
- In March 2021 (the 2020-21 allocation listed in Annex A), upon satisfactory receipt of a delivery plan from the Authority by 19 February 2021 setting out the intended scale and reach of their programme for Easter 2021;

12. The above reports will be provided in accordance with guidance issued by the Department and will include data on children attending clubs in each local authority area.
13. The Authority will work with the Department and with any support organisation appointed to work on behalf of the Department in relation to the monitoring and delivery of the Programme.
14. The payments will take account of expenditure already made or committed, along with proposed future activity, as indicated in the reports mentioned in para 9. If the Authority has not spent and does not plan to spend its maximum allocation, the Department will reduce the overall payment to the Authority to reflect the actual expenditure. The overall annual payment will not exceed the maximum allocation listed for each Authority in Annex A.
15. If at any time the Authority becomes aware that the allocation for each period no longer reflects the pattern of actual eligible expenditure, the Authority must inform the Department as soon as possible. The Secretary of State reserves the right to alter the timing or amount of grant payments accordingly.
16. The Recipient will not overspend on the Programme, over and above their maximum funding allocation, without the prior written approval of the Department. Unauthorised overspends will not be reimbursed by the Department. Any identified overpayment of funds will be returned to the Department for Education as soon as identified.
17. The Authority's nominated responsible officer must confirm at the end of each financial year that the funding has been properly expended.
18. The Authority must maintain a sound system of internal financial controls. If the Authority has any grounds for suspecting financial irregularity in the use of any grant paid under this Determination, it must notify the Department immediately, explain what steps are being taken to investigate the suspicion and keep the Department informed about the progress of the investigation. For these purposes "financial

irregularity” includes fraud or other impropriety, mismanagement, and the use of grant for purposes other than those for which it was provided.

Records

19. The Authority must maintain reliable, accessible and up to date accounting records with an adequate audit trail for all expenditure funded by grant monies under this Determination.
20. The Authority and any person acting on behalf of the Authority must allow:
 - a) the Comptroller and Auditor General or appointed representatives, or b) the Secretary of State or appointed representatives, free access at all reasonable times to all documents (including computerised documents and data) and other information as are connected to the grant payable under this Determination, or to the purposes for which grant was used, subject to the provisions in paragraph 22.
21. The documents, data and information referred to in paragraphs 19 to 23 are such which the Secretary of State or the Comptroller and Auditor General may reasonably require for the purposes of ‘spot checking’ administrative costs or significant amounts paid under the Scheme or a financial audit of any department or other public body or for carrying out examinations into the economy, efficiency and effectiveness with which any department or other public body has used its resources. The Authority must provide such further explanations as are reasonably required for these purposes.
22. Paragraphs 19 to 21 do not constitute a requirement for the examination, certification or inspection of the accounts of the Authority by the Comptroller and Auditor General under section 6(3) of the National Audit Act 1983. The Secretary of State and Comptroller and Auditor General will seek access in a measured manner to minimise any burden on the Authority and will avoid duplication of effort by seeking and sharing information with local auditors.
23. The Authority must have a system of internal financial controls to safeguard against fraud and theft (which shall be developed and maintained in accordance with generally accepted accounting practices having regard to the amount of funding and the size of the authority) and shall require that internal/external auditors report on the adequacy or otherwise of that system. All case of fraud or theft (whether proven or suspected) relating to the funded activities must be referred to the Department.

Recovery of Grant

24. If the Authority fails to comply with any of these conditions, or if any overpayment is made under this grant or any amount is paid in error, or if any of the events set out in

paragraph 25 occurs, the Secretary of State may reduce, suspend or withhold grant payments or require the repayment of the whole or any part of the grant monies paid, as may be determined by the Secretary of State and notified in writing to the Authority. Such sum as has been notified will immediately become repayable to the Secretary of State who may set off the sum against any future amount due to the Authority from central government.

25. The events referred to in paragraph 24 are:

- a) the Authority purports to transfer or assign any rights, interests or obligations arising under this Determination without the prior agreement of the Secretary of State,
- b) any information provided in any application for grant monies payable under this Determination, or in any subsequent supporting correspondence is found to be significantly incorrect or incomplete in the opinion of the Secretary of State,
- c) it appears to the Secretary of State that other circumstances have arisen or events have occurred that are likely to significantly affect the Authority's ability to deliver the Scheme,
- d) the Authority's Section 151 officer is unable to provide reasonable assurance that the Statement of Grant Usage, in all material respects, fairly presents the eligible expenditure in the Period in accordance with the definitions and conditions in this Determination, or
- e) the Authority fails to provide the delivery plans, reports or certificate of expenditure specified in this Grant Determination and its Annexes.

Impact of COVID-19

26. The Department acknowledges that delivery of the programme at Easter could potentially be impacted by COVID-19. In some cases, face-to-face delivery of holiday clubs may not be possible in the Authority's area and remote delivery of the programme may, in some circumstances, be more viable.

27. If the Authority cannot hold face-to-face holiday clubs as a result of COVID-19, the Authority may operate flexibly to ensure that eligible children still receive the type of support detailed in paragraph 7. For example, this may involve children receiving healthy meals and/or activity packs at home if they are unable to congregate in holiday clubs due to COVID-19.

28. In the event of disruption to the planned programme:

- a. Should the services be impacted regionally or locally, due to direct order from the Government or the Department, and be unable to be delivered, the Authority will be able to use its funding through this programme to meet any reasonable accrued and unrecoverable costs. The Authority shall make all reasonable endeavours to recover any costs where provision cannot go ahead as planned. The Authority shall return any recoverable costs to the Department where these have not been spent on provision in accordance with this programme.
- b. Should the services be impacted regionally or locally, due to direct order from the Government or the Department, the Supplier shall proceed with the provision of services to the extent possible, but shall make all reasonable endeavours to cancel services where delivery is not possible, and shall only be eligible to receive a portion of the grant available to them in line with the services delivered. The Authority shall return any recoverable costs to the Department where these have not been spent on provision in accordance with this programme.
- c. Should the Supplier, acting unilaterally, (i.e. not acting under instruction from the Government or Department) choose to reduce the scale of their provision (in whole or in part) due to the impact of Coronavirus, the Supplier shall only be eligible to claim a portion of the grant available to them in line with the services delivered.

6. Information used to analyse the effects on equality:

(Please include information about how you have consulted/ have data from the impacted groups)

Under the Equality Act 2010, all public authorities must comply with the Public Sector Equality Duty. For the purposes of this grant, the council will consider how any support that helps people facing severe financial hardship impacts those with characteristics protected under the Equality Act.

The DfE has conducted its own Equality impact in respect of this grant itself. It is therefore anticipated that this decision will provide positive benefits to the people of Nottingham and not adversely affect any specific group.

FINANCIAL OBSERVATIONS: HOLIDAY ACTIVITIES AND FOOD PROGRAMME 2021

The decision requires approval to:

1. Approve £1.8m grant funding from the Department of Education in relation to the Holiday Activities & Food Programme 2021;
2. Delegate authority to the Director of Education to release the grant funds as required

The maximum grant funding available to Nottingham City Council is summarised by financial year in the table below:

2020/21 £	2021/22 £	Total £m
181,060	1,619,380	1,800,440

The purpose of the grant is for local authorities to make free places at holiday clubs in the Easter, summer and Christmas school holidays in 2021.

The grant includes a 10% provision of funding for local administration costs associated with the coordination of the Programme.

The grant is subject to conditions that may result in a clawback if not met.

The guidance is clear that any the expenditure should be consistent with the grant priorities. The service is proposing to work in partnership with external providers already delivering a range of activities although the Plan is in its early stages with only indicative figures of spend available.

The advice assumes contracts for works, supplies or services are not required, and therefore, in conjunction with Contract Procedure Rule 1.3, no dispensation is required. Any change to this assumption will require approval to seek dispensation.

Approval to delegate authority to realise the grant funds (in line with Appendix 1) seems appropriate.

The recently established Board has oversight of the plan and its performance; including allocations align with grant conditions. The Director of Education, with delegated responsibility to approve the release of funds (in line with the attached appendix), is a member of the Board.

Once the grant has been fully utilised the associated schemes will need to end, there is no approval to continue.

It is assumed that any expenditure being undertaken aligns to value for money principles.
