Nottingham People	<input checked="" type="checkbox"/>
Living in Nottingham	<input checked="" type="checkbox"/>
Growing Nottingham	<input checked="" type="checkbox"/>
Respect for Nottingham	<input type="checkbox"/>
Serving Nottingham Better	<input type="checkbox"/>
Summary of issues (including benefits to citizens/service users):	
<p>The Draft Eastside Supplementary Planning Document (SPD) provides planning guidance for the development of the Eastside Area of the City. It is supplementary to the adopted Local Plan, which comprises the following two documents: Part 1: The Greater Nottingham Aligned Core Strategy (adopted September 2014) and Part 2: The Land and Planning Policies Document (adopted January 2020).</p> <p>In line with Planning Regulations, following approval of the draft version of the SPD, the document must be subject to a statutory consultation period (not less than 4 weeks). All consultation comments received will be taken into account and the SPD redrafted accordingly, prior to it being adopted. Once adopted, the SPD will be a material consideration in planning decisions relating to the Eastside Area.</p>	
Exempt information:	None
Recommendation(s):	
1	To approve the Eastside Draft Supplementary Planning Document appended to this report and release it for a period of public consultation.
2	To delegate authority to the Director of Planning and Regeneration to approve any minor changes (e.g. typographical and grammatical) required to the Draft Supplementary Planning Document prior to consultation.

1 Reasons for recommendations

- 1.1 The preparation of the SPD will help to ensure that development meets the City Council's aspiration for the Eastside Area. SPDs contain planning guidance that is supplementary to the Local Plan and draft SPDs must be approved by Executive Board prior to the commencement of a statutory consultation period.

2 Background (including outcomes of consultation)

- 2.1 The Eastside Draft Supplementary Planning Document (SPD) has been prepared to guide development proposals for the Eastside of the City. The SPD sets out a vision for the area, identifies constraints and opportunities and provides guidance on the type and form of development expected in the area.
- 2.2 This SPD seeks to expand on Local Plan policy in particular Local Plan Part 2 housing policies HO1 (Housing Mix) and H06 (Houses in Multiple Occupation and Purpose Built Student Accommodation) and regeneration policies RE1 (Facilitating Regeneration) and RE3 (Creative Quarter), with the express aim of providing a range of good quality homes in the Eastside Area with good connections to jobs, services and leisure opportunities.
- 2.3 In summary, the SPD seeks to promote the following principles:
- An appropriate balance in the type of housing in the Eastside Area.
 - A good balance in the type of development in the Eastside Area to support local area, adjacent communities and Creative Quarter objectives.
 - Ensuring that all new development achieves a high standard of environmental sustainability.
 - Improvements to the environment of the Eastside Area, and adjacent areas, including open space and public realm enhancements and the protection and enhancement of heritage assets.
 - Ensuring safer connections into the Area, to surrounding communities and within the Eastside Area.
 - Development in line with the 20-minute neighbourhood principles, where people can meet their everyday needs within a short walk or cycle.
- 2.4 It is proposed that a 6-week formal consultation period will be undertaken as soon as is practicable after the draft SPD has been approved by Executive Board. The results of this consultation will be analysed and the draft SPD will be amended where appropriate, before being reported back to Executive Board to be considered for adoption.

3 Other options considered in making recommendations

- 3.1 Not producing the draft Eastside SPD. This option was rejected as it would result in a lack of comprehensive planning guidance for the Eastside Area and failure to ensure that the City Council's development ambitions are met for this Area. Furthermore, without more detailed planning guidance for the area, there is a danger that services and facilities would not meet the needs of citizens.

4 Finance colleague comments (including implications and value for money/VAT)

- 4.1 There are no direct financial implications arising from the recommendations in this report.
- 4.2 Subject to approval of the Eastside Supplementary Planning Document, the policies included requiring section 106 will be applicable and generate a section 106 contribution in accordance with a standard formula mechanism to reflect actual costs. Section 106 contributions must be spent in line with the section 106 agreement and will require appropriate monitoring to ensure that the contribution is expended as agreed.
- 4.3 New regulations came into force on 1st September 2019 that allow local authorities to charge a fee through Section 106 to contribute towards the cost of monitoring and reporting on developer contributions. The regulations state that this fee should be 'fair' and 'reasonable' and reflect the authority's estimate of the cost of monitoring. These fees will enable the Council to fund a suitable resource to ensure that developer contributions are fully monitored.

Roma Desai, Commercial Business Partner, Strategic Finance, 7 June 2021

5 Legal and Procurement colleague comments (including risk management issues, and legal, Crime and Disorder Act and procurement implications)

- 5.1 The Council as Planning Authority has a power to adopt Supplementary Planning Documents (SPDs) which add more detail and guidance in relation to Local Plan policies and which then become material planning considerations when planning applications are determined. The adoption of SPDs is an executive function and the Board therefore has the power to release the SPD for public consultation as required as part of the relevant statutory process.

Ann Barrett, Team Leader, Legal Services, 7 June 2021.

6 Strategic Assets & Property colleague comments (for decisions relating to all property assets and associated infrastructure)

- 6.1 The proposed Eastside Supplementary Planning Guidance will have a positive impact on the marketing and sale of Council owned development sites in the area providing developers and investors with a clear insight into the Council's vision for the area to which any proposed development will be expected to conform.

Pippa Hall, Corporate Portfolio and Investment Manager, Property, 9 June 2021

7 Social value considerations

- 7.1 Not applicable.

8 Regard to the NHS Constitution

- 8.1 Not applicable.

9 Equality Impact Assessment (EIA)

9.1 Has the equality impact of the proposals in this report been assessed?

No

An EIA is not required because:
(Please explain why an EIA is not necessary)

Yes

The Draft Eastside SPD amplifies policies in the Part 2 Local Plan (The Land and Planning Policies document); the EqIA for the Local Plan Part 2 can be viewed at:

<https://www.nottinghamcity.gov.uk/information-for-business/planning-and-building-control/planning-policy/the-local-plan-and-planning-policy/lapp-local-plan-part-2-examination/examination-library/core-documents/>

Please see documents with references LAPP-CD-REG-11, LAPP-CD-REG-12, LAPP-CD-REG-13).

The planning guidance in the Draft Eastside SPD particularly enhances the EqIA conclusions for Policies HO1 (Housing Mix), RE3 (Creative Quarter) and also the transport and design policies in the Local Plan Part 2. The guidance will promote a more appropriate mix of housing, improve connections across the area and will encourage accessible open space and linkages. These measures will be of benefit to all citizens and some (e.g. improved pedestrian connections and access to open space) will be of particular benefit to older and disabled citizens.

10 List of background papers relied upon in writing this report (not including published documents or confidential or exempt information)

10.1 None.

11 Published documents referred to in this report

11.1 The Greater Nottingham Aligned Core Strategy (Local Plan Part 1), Adopted September 2014.

11.2 Nottingham City Land and Planning Policies Development Plan Document (Local Plan Part 2), Adopted January 2020.
