<b>Executive Summary:</b> The JSNA for Nottingham City is a set of resources that provide an overview of the current and future health and social care needs of the local population to inform and guide the planning and commissioning of health, wellbeing and social care services of a local population. In identifying trends and patterns, it aims to support efforts to reduce health inequalities. This annual report provides the Board with an annual update on the JSNA, including key achievements and updates on future plans.	
<b>Recommendation(s):</b> The Board is asked to note the Joint Strategic Needs Assessment Annual Report.	

<b>The Joint Health and Wellbeing Strategy</b>	
<b>Aims and Priorities</b>	<b>How the recommendation(s) contribute to meeting the Aims and Priorities:</b>
<b>Aim 1:</b> To increase healthy life expectancy in Nottingham through addressing the wider determinants of health and enabling people to make healthy decisions	Currently, there are more than 50 JSNA chapters. These chapters have been created through the collaboration of a number of key stakeholders, including Public Health, Social Care, the Crime and Drugs Partnership and the NHS Nottingham and Nottinghamshire Clinical Commissioning Group (now the Integrated Care Board).
<b>Aim 2:</b> To reduce health inequalities by having a proportionately greater focus where change is most needed	
<b>Priority 1:</b> Smoking and Tobacco Control	
<b>Priority 2:</b> Eating and Moving for Good Health	

<b>Priority 3: Severe Multiple Disadvantage</b>	
<b>Priority 4: Financial Wellbeing</b>	
<p><b>How mental health and wellbeing is being championed in line with the Board's aspiration to give equal value to mental and physical health:</b>  The over 50 JSNA chapters cover a full range of topic, giving due regard to mental health and wellbeing.</p>
