

**Responses to the Together for Nottingham Plan update by the Leader
Recommendations 220511-6-1 to 220511-6-4**

220511-6-1

The timeframe for the HRA repayments is circulated to Committee members

Members are kept up-to-date as appropriate on timescales.

220511-6-2

The senior leadership team remain conscious of the importance of IT infrastructure and resources

This is very much on their radar and work remains ongoing.

220511-6-3

Consultation and information sharing continues with Nottingham City Homes residents and staff during the process of bringing housing services back in-house

Consultation with staff is ongoing. All colleagues have been notified and engagement sessions place throughout July and August with over 50% of staff taking part in either in person or in face-to-face meetings.

Tenants have been notified by letter and further engagement including face-to-face and online sessions are starting in October.

220511-6-4

The RAG rated performance monitoring of the Together for Nottingham Plan is circulated to Committee members

The red items have been circulated to committee members. However the focus will now need to switch to monitoring the Statement of Requirements and an update on this will be given at the next O&S.
