- 24.7.2 The Parties shall within 10 Working Days of the appointment of the Mediator meet with the Mediator in order to agree a programme for the exchange of all relevant information and the structure to be adopted for negotiations to be held. If considered appropriate, the Parties may at any stage seek assistance from the Centre for Effective Dispute Resolution to provide guidance on a suitable procedure.
- 24.7.3 Unless otherwise agreed, all negotiations connected with the dispute and any settlement agreement relating to it shall be conducted in confidence and without prejudice to the rights of the Parties in any future proceedings.

33 Waiver

- 33.1 The failure of either Party to insist upon strict performance of any provision of this Agreement, or the failure of either Party to exercise, or any delay in exercising, any right or remedy shall not constitute a waiver of that right or remedy and shall not cause a diminution of the obligations established by this Agreement.
- 33.2 No waiver shall be effective unless it is expressly stated to be a waiver and communicated to the other Party in writing in accordance with Clause 34.

Dear Vernon

Re: 2022-3 Funding for CDP

Firstly, I want to thank you and the CDP for all it has done to tackle crime and I'm looking forward to continuing to work with you to help deliver our Make Notts Safe Plan.

As you know, I have a range of ambitious plans to tackle crime in Nottingham and Nottinghamshire. I want to ensure that we allocate every penny available to us to initiatives that are closely aligned with the Make Notts Safe Plan. In addition, you will be aware that last year I commissioned an independent review of the OPCC roles and functions; included in scope was PCC funding for staff time within the SNB and CDP.

One finding from the OPCC review which impacts on the CDP relates to staffing costs. Whilst the CDP leads on domestic abuse commissioning, the OPCC leads on sexual violence as well as other key initiatives such as the perpetrator programme. In future the OPCC will have a dedicated VAWG Commissioning Officer, able to support the CDP and SNB. There will also be a new analytical team within the OPCC able to support partnership activity.

Further changes relate to IOM IDVA, which I will fund until June 2023 to allow time for the evaluation of the DA IOM and DA Perpetrator Programme to report. However, instead of this funding flowing through the annual CDP grant agreement, my office will work with your domestic abuse lead to include the funding in the new Domestic Abuse Partnership agreement.

Our policing's commitment to IOM continues and we will maintain the funding provided for IOM accommodation, however, instead of the investment flowing through the CDP grant agreement this will be through a direct arrangement with the force.

I will continue to invest in substance misuse support in the city at the same level, however believe there is an opportunity for us to set this out in a longer term arrangement governed by a partnership agreement rather than in an annual grant agreement. My office will meet with CDP and commissioning staff to take this forward.

I would like to understand the serious violence/youth crime prevention work more fully before making a decision about long term funding. However, I recognise that the new financial year is close and therefore intend to allocate 6 months funding as set out in the table below.

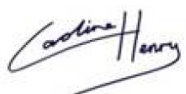

Finally, I would like the SERAC Case Worker (City) role to continue for a full year, if the CDP agrees. I have also suggested to the SNB that the SERAC Case Worker (County) role should continue for a full year and if they agree the funding for both posts will come directly to the CDP.

The funding for the CDP is therefore as follows:

Initiative	£	Time period
SERAC case worker (City)	40,227	Q1-4
Serious Violence/ Youth Crime Prevention	80,137	Q1-2

I recognise that this is very different arrangement from previous years, however you will appreciate that this approach enables us to target funding more closely to Make Notts Safe priorities. I am very happy to discuss further in a meeting if that would be helpful.

Yours sincerely
